Another Gospel? Alisa Childers, 2020-10-06 This may be the most influential book you will read this year Lee Strobel bestselling author of *The Case for Miracles* A movement seeks to redefine Christianity Some think that it is a much needed progressive reformation Others believe that it is an attack on historic Christianity Alisa Childers never thought she would question her Christian faith She was raised in a Christian home where she had seen her mom and dad feed the hungry clothe the homeless and love the outcast She had witnessed God at work and then had dedicated her own life to leading worship as part of the popular Christian band ZOEgirl All that was deeply challenged when she met a progressive pastor who called himself a hopeful agnostic *Another Gospel* describes the intellectual journey Alisa took over several years as she wrestled with a series of questions that struck at the core of the Christian faith After everything she had ever believed about God Jesus and the Bible had been picked apart she found herself at the brink of despair until God rescued her helping her to rebuild her faith one solid brick at a time In this book you ll find A list of resources including apologetics books theology books and podcasts for additional study Discussion questions to help you dig deeper or spark conversations A sound biblical worldview mixed with personal stories from Alisa Childers popular speaker and author of *The Deconstruction of Christianity and Live Your Truth and Other Lies* In a culture of endless questions you need solid answers If you or someone you love has encountered the ideas of progressive Christianity and aren t sure how to respond Alisa s journey will show you how to determine and rest in what s unmistakably true
