Art/Work - Revised & Updated Heather Darcy Bhandari,Jonathan Melber,2017-10-17 The definitive must have guide to pursuing an art career This fully revised and updated edition of Art work shares the tools artists of all levels need to make it in the highly competitive art world

Art Work Katja Praznik,2021-06-29 In Art Work Katja Praznik counters the Western understanding of art as a passion for self expression and an activity done out of love without any concern for its financial aspects and instead builds a case for understanding art as a form of invisible labour Focusing on the experiences of art workers and the history of labour regulation in the arts in socialist Yugoslavia Praznik helps elucidate the contradiction at the heart of artistic production and the origins of the mystification of art as labour This profoundly interdisciplinary book highlights the Yugoslav socialist model of culture as the blueprint for uncovering the interconnected aesthetic and economic mechanisms at work in the exploitation of artistic labour It also shows the historical trajectory of how policies toward art and artistic labour changed by the end of the 1980s Calling for a fundamental rethinking of the assumptions behind Western art and exploitative labour practices across the world Art Work will be of interest to scholars in East European studies art theory and cultural policy as well as to practicing artists
