Man-Woman Bonding In Socio-Cultural Indian Concept Dr. Kajal Thakur, 2015-05-12 Literature is one of the fine arts that employ language as medium of expression It is essentially an expression of human feelings emotions sufferings and joys Good literature is never outdated and is unbounded by space and time It has permanence It is also universal in the sense that it appeals to readers of any nationality or linguistic ability Language or culture may be different but human sentiments remain essentially similar in all literatures of the world *Indian English Fiction* Gajendra Kumar, Uday Shankar Ojha, 2003 Cultural Allotropy Vinay Bharat, 2015-08-26 This research work spins around the issue of cultural allotropy which we all have experienced at different levels however a conscious realization regarding it might be missing to some extent Centuries of political intervention and subjugation by foreign countries results in the presence of a mixed culture and this side by side flourishing of two cultures seems now an accepted fact a part of mans consciousness But the presence of two contradictory sets of values one not fully accepted and the other not totally rejected gives rise to a difficult situation in the face of the conflicting claims of the two This gives rise to a mixing of cultures a blend which in other words may be called cultural allotropy that is existence of the culture of a particular region in two or more forms having different and mixed properties at the emotional or intellectual level at a given point of time Going beyond the political subjugation in the era of globalization it has now become a matter of economic and cultural subjugation Undoubtedly our cultural allotropy is a byproduct of modern economic compulsions also Through different Indian English novelists I have tried to intrigue the issues via different portrayals and characters and finally posed a question What is it to be an Indian **The New Indian Novel in English** Viney Kirpal, 1990 Study and critical analysis of the themes the motifs and characterization in the twentieth century Indian novel in English **Arun Joshi's Fiction** Indira Bhatt, Suja Alexander, 2001 Study on the works of Arun Joshi 1939 1993 Indo English novelist Indian Writings in English Manmohan Krishna Bhatnagar, 1996 Contributed articles *Kakatiya Journal of English Studies*, 1999 The Novels of Arun Joshi Rajinder Kumar Dhawan, 1992 The Book Provides A Critical Survey Of All The Novels And Short Stories Of Arun Joshi A Significant Contemporary Indian Novelist It

Srivastava,1987 *Makers of Indian English Literature* C. D. Narasimhaiah,2000 This Comprehensive Study Of The Makers Of Indian English Literature Ranges From The Sporadic But Landmark Voices Of The Nineteenth Century To The Spurting Creativity In The Post Rushdie Contemporary Scenario The Contributors Unswayed By The Increasing Threat Of Publisher Media Offensive To Appropriate The Critical Function Firmly Adhere To The Time Tested Tradition Of Explorations They Interrogate Inflated Reputations Underscore Unnoticed Achievements And Probe The Mush Contested Inadequacy Of Indian English Poetry And The Paucity Of Indian English Drama The Literary Discourse Is Largely Focused On Tradition And Avant Garde Indigeneous Roots And Western Influences Colonial And Post Colonial Perspectives And Self Identity And Heterogeneity Even Hybridity In Indian English Writing The Volume Also Investigates The Problematic Of Using The English Language To Filter And Indian Experience Especially In Terms Of Departures From Standard English Constructions Semantic Neologisms Nativization Of The Language And Cross Cultural Significations It Scrutinizes The Three Alternative Of Transcreation Etymological Use And Transliteration For Moulding The English Language Into An Indian Cast Despite An Increasing Number Of Unmaker S Of Indian English In Indian Society As Argued In The Last Essay The Book Paradoxically Posits How The Indian English Writing Has Come Alive As A Vibrant Autonomous Constituent Of Contemporary International English **Victim Consciousness in Indian-English Novel** Usha Bande,1997 This Book Contains Essays By Renowned Scholars Studying The Depiction Of Victim Consciousness In Indian Novel Written In English *Critical Spectrum* C. D. Narasimhaiah,2004 Explores And Evaluates Several Major Concerns Of Contemporary Critical Discourse Such As Identity Diaspora Hybridity Decolonization Cross Cultural Encounters And Gender Relations This Theoretical Perspective Is Followed In Section Two By A Number Of Vigorous And Illuminating Case Studies Of Several Texts And Authors *The Literary Criterion* ,2009 **Quest** ,1974 *The City and The River* Arun Joshi,2018-11-12 The City and The River is a political fable Using an artistically satisfying combination of fantasy prophecy

and a startlingly real vision of everyday politics this novel is truly a parable of the times The City is all cities The River is the mother of cities The Grand Master rules the city by the river and is determined to become its unchallenged King Things move smoothly in this earthly Eden till a strange prophecy is made by the palace astrologer The learned man predicts the crowning of a new King in place of the Grand Master With quiet humour and characteristic skill Joshi plots the path of intrigue and corruption in high places The Grandmaster is surrounded by a coterie of fawning councillors whose sole aim is to remain in limelight and improve their hierarchical standing The politics in the novel has unmistakable echoes of the Emergency period of 1974 75 acquisition of unlimited powers presence of self seeking sycophants shadow of an heir apparent and loss of individual freedom pose significant questions about identity commitment and faith in a hostile society The story is narrated in easy flowing prose blending political satire with philosophical and spiritual dimensions
