walk with God for them to love God and His Word In the correct order focusing first on the parents Andrew Murray then
urges parents to sincerely and consistently love their children and in all tenderness and gentleness teach them as God also
teaches us Children are a most precious gift that we receive from God and they deserve our very best Our faithful training
will not be lost on our children this is a promise found over and over again in the Scriptures If our hearts are right towards

involved only in programs specifically designated for them Children Matter offers a full discussion of children s spirituality
and shows how the faith community can better nurture its youngest members Speaking from their experience with children s
ministry in a range of Protestant traditions the authors draw on the Bible history and psychology to lay good foundations for

such ministry Discussing the specific content and contexts of faith formation they also offer wise and practical advice on putting together effective ministries Rather than focusing on innovative ways to use technology Children Matter emphasizes relationships between people and encourages the church to welcome all children as valued participants in the people of God
