Delighted Earth:

Our Happy Earth Sarah Tapp, 2009-12 OUR HAPPY EARTH is a book that is meant to entertain educate and inspire young children to play an active role in maintaining and improving our environment Hopefully it will give them an early understanding of how important it is to take care of their Earth so they will not have to relearn this later in life as so many adults have had to do Sarah Tapp resides in central Kentucky with her family While she always had a love for writing it wasn't until she became a mother that she was inspired to become a part of the wonderful world of children's literature It was her daughter that inspired her to write OUR HAPPY EARTH She realized that while she was teaching one thing to her daughter she and her husband as well as so many others knew the right thing to do but didn't give it the importance it deserved Wouldn't it be nice if this new generation didn't have to be retaught the lessons of how to take care of our world as ours is having to do *Delighted Earth* Robert Herrick, Peter Meadows, 1927 Harper's New Monthly Magazine Henry Mills Alden, 1875 Harper's informs a diverse body of readers of cultural business political literary and scientific affairs

Life Together Dietrich Bonhoeffer, 1978-10-25. After his martyrdom at the hands of the Gestapo in 1945, Dietrich Bonhoeffer continued his witness in the hearts of Christians around the world. His *Letters and Papers from Prison* became a prized testimony to Christian faith and courage, read by thousands. Now in *Life Together*, we have Pastor Bonhoeffer's experience of Christian community. This story of a unique fellowship in an underground seminary during the Nazi years reads like one of Paul's letters. It gives practical advice on how life together in Christ can be sustained in families and groups. The role of personal prayer, worship in common, everyday work, and Christian service is treated in simple, almost biblical words. *Life Together* is bread for all who are hungry for the real life of Christian fellowship.
