Demon Possession:

Demon Possession & the Christian C. Fred Dickason, 1989 Shows from theology the Bible and counseling experiences that Christians can be affected by demonic activity Equips believers to fight spiritual battles and win **Demonic Possession in the New Testament** William Menzies Alexander, 1902 Demonic possession in the New Testament is still an unsolved problem That statement is at variance with a considerable body of opinion recently expressed on two continents Nevertheless it is a correct representation of the present state of the case Modern writers have attained a certain unanimity only by approaching the subject from one point of view and confining attention to the more conspicuous phenomena But any investigation which claims finality must explore the whole environment and scrutinise all residual facts There is a comparative demonology to be studied there are types of mental disease to be examined there is a criterion of genuine possession to be discovered and applied The inquiry thus broadens out and takes account of many points hitherto ignored or neglected Preface *Demons, Possession and Exorcism* Robert Pelton, 2013-01-18 Paul Harvey once stated Demonic possession of humans is not something Hollywood invented It is quite as old as the Old Testament Jesus exorcised demons Clergymen of the 1970s Catholic and Protestant can relate experiences very similar to those chronicled in the book *The Exorcist* and shown with such ghastly realism in the movie Frequently in their counseling clergymen experience supernatural manifestations which they are reticent to discuss from the pulpit Renowned Evangelist Billy Graham said Don't make any mistake about it There are demons as well as unseen angels and that unseen world exists Pope Paul VI declared We know that this dark and disturbing spirit really exists and that he still acts with treacherous cunning The idea of possessive evil supernatural beings is distasteful but there are those who know that devils are real walking among us waiting to live within us Many fundamental believers interpret the Bible simply and literally It is with scriptural assurance that they are convinced of the reality of devil spirits They confront these evil forces with calmness and determination secure in the power of the Holy Ghost within themselves to protect them and overpower the opposition In my name shall they cast out devils is the first of the five signs found in Mark 16 17 18 Christians throughout the world believe these signs were given to the true believers by Christ before his Ascension To them they are as necessary and as relevant today as they were when the risen Master offered them to his faithful few Members of such faiths approach devil possession almost casually It has been an integral part of their religion for generations Others are just now beginning to discuss the subject almost as if devil spirits must be officially recognized One becomes possessed to work Satan's end suggested Reverend M Thomas Starkes former Director of the Department of Interfaith Witness on the Southern Baptist Home Mission Board When one is a non Christian and possessed Satan uses this to further his own kingdom to display his power I have seen a Christian a new Christian who sold his soul completely out to Satan for a period of twelve years and was then converted He was still able to retain some of the satanic powers because Satan is very slow to let go to let his control go over the life of an individual who is controlled or possessed

In some areas of religion the exorcism of evil is practiced with zeal and dedication. The devout believe it takes a great amount of faith to seek and develop a productive relationship with God. It takes living right and constant spiritual contact to maintain the closeness that has as its reward invincible power from the Holy Ghost. Never do the recipients claim this power for themselves. Always it is God working with them and through them. So it is when believers gather around a sinner or a stricken brother in the faith to cast out a devil that the Holy Ghost sends power enough to subjugate Satan's emissary. The devil must bow to God's supremacy. Countless men of God have experienced firsthand the horror of a rebellious devil clinging to the human being it has chosen for a home. These ministers are not shocked or surprised at the bizarre descriptions in the currently popular exorcism stories. They have seen it all. They have heard male voices utter verbal filth from female mouths. They have seen blood and vomit follow the expulsion of a struggling demon. They know devils are here. Listen to the preachers, teachers, evangelists, theologians, and faith-filled Christians who actually exorcise demonic spirits; tell how they do it. The methods they employ and the words they use are many and varied. But their reason for doing it is singular. Mark 16 spells it out clearly: *In My Name Shall They Cast Out Devils*. **Demon Possession** John Warwick Montgomery, 1976. A collection of demon possession experiences, case histories, studies, and conclusions from a wide range of professional people including doctors, psychiatrists, scientists, historians, theologians, and college professors. **By the Finger of God** Selby Vernon McCasland, 1951. *Demon Possession and Allied Themes* John Livingston Nevius, 1894. **All the Miracles of the Bible** Herbert Lockyer, 1988-09-26. This book discusses the supernatural in Scripture, including the scope and significance of events and embodiments. **Confrontations with the Devil** Robert Pelton, 2013-01-18. Demonic possession of humans is not something Hollywood invented. It's quite as old as the Old Testament. Jesus exorcised demons. Clergymen of the 1970s Catholic and Protestant can relate experiences very similar to those chronicled in the book and shown with such ghastly realism in the movie. Frequently in their counseling, clergymen experience supernatural manifestations which they are reticent to discuss from the pulpit. Paul Harvey: Do not make any mistake about it. There are demons as well as unseen angels and that unseen world exists. Billy Graham: We know that this dark and disturbing spirit really exists and that he still acts with treacherous cunning. Pope Paul VI: People are now aware that it's possible to be possessed and they want to know what they can do to avoid possession by a demon. Kathryn Kuhlman: Bear in mind that demon possession is no field for amateurs. Christians must not be naive about this. Evangelist Leighton Ford: I was in our big tent one night in a certain city. We were having a night when it seemed like every third person was demon possessed. It's like that in the ministry. There'll be none and then the night comes when it seems like the whole demon world erupts. I urged the crowd: touch the chair in front of you as though you were touching the person. Pray for the person. Pray with me. Fill this room with your faith. When the demons came out of one person, I had prayed for all of a sudden over to my right at the edge of the tent, a man let out a bloodcurdling yell and ran. The demon had struck him and had entered him. The police ran after him, caught him, and brought him back. We then

prayed for him and were able to help him I don't want to overdramatize what I'm saying but if I say any less I'm not telling it like it is This is but one of the many Satanic confrontations experienced in the long evangelistic ministry of Oral Roberts This man as well as a multitude of others have fearlessly met the devil head on They each claim victory after victory for their Jesus Confrontations with the Devil includes such unusual cases as the little girl in Manila who was viciously bitten by devils She cursed God Jesus Christ the Holy Spirit the blood of Jesus and missionary Lester Sumrall the exorcist in English After she was back to normal it was discovered she could not speak a word of English You'll read of the possessed woman who was mysteriously suspended in midair between the preacher and a crowd of 14 000 people during a crusade Confrontations with the Devil reveals firsthand experiences of unbelievable demon battles taking place in today's modern world Roberts Lowery Pedigo Sumrall and many others tell their stories Each believes that Satan and his demons know all who really belong to God And they feel that these evil spiritual forces fear any person who exercises the God-given power to cast them out

Demonic Possession in the New Testament William Menzies Alexander, 1902 Demonic possession in the New Testament is still an unsolved problem That statement is at variance with a considerable body of opinion recently expressed on two continents Nevertheless it is a correct representation of the present state of the case Modern writers have attained a certain unanimity only by approaching the subject from one point of view and confining attention to the more conspicuous phenomena But any investigation which claims finality must explore the whole environment and scrutinise all residual facts There is a comparative demonology to be studied there are types of mental disease to be examined there is a criterion of genuine possession to be discovered and applied The inquiry thus broadens out and takes account of many points hitherto ignored or neglected Preface

The Day Satan Called Bill Scott,2011-10-11 The Day Satan Called is Bill Scott s account of an excruciating 18 month period in his life Out of Christian love he and his wife invited a young lady who was demon possessed and the member of an active satanic network into their home They prayed the sinner s prayer with her and believed that they could help redeem someone who had witnessed and experienced unimaginable rituals and abuses What happened instead were death threats and the loss of their home as a sanctuary Voices Threats Objects falling and moving Strange visitors and callers A loving church falling into turmoil And yes the voice of Satan Every day was filled with the dread of nightfall Once you ve invited someone filled with demons that aren t leaving her into your home what do you next Where do you send her How do you protect yourself and your family What do you do after she s finally gone but the demons haven t left This is the account of a terrifying and incredible phenomenon But ultimately it is a testament to the power of God s love even over evil spirits

Demon Possession John Warwick Montgomery,2018-01-26 In January of 1975 the Christian Medical Association gathered to deliver papers on the subject of demon possession The essayists are Christians affiliated with a variety of academic institutions The essays themselves explore the phenomena of the demonic in the Bible in literature on the mission field in anthropology legal history and psychiatric treatment All of the participants accept the reality of the demonic but they are circumspect in their scholarship If you are looking for a more substantial treatment than what you might find in popular booklets on the subject or on the fiction aisle this is it never before or since this symposium has there been a focused study of this magnitude on demon possession
