Demon Spofforth:

The Strangers Who Came Home John Lazenby, 2015-01-29 A compelling and beautifully drawn social history of the first Australian cricket tour of England An excellent bustling account of the first Australian cricket XI to tour England Independent A fascinating story well told Choice The Ashes cricket series played out between England and Australia is the oldest and undoubtedly the most keenly contested rivalry in international sport And yet the majority of the first representative Australian cricket team to tour England in 1878 in fact regarded themselves as Englishmen In May of that year the SS City of Berlin docked at Liverpool and the Australians stepped onto English ground to begin the inaugural first class cricket tour of England by a representative overseas team As they made their way south towards Lord s to play MCC in the second match of the tour the intrepid tourists or the strangers as they were referred to in the press encountered arrogance and ignorance cheating umpires and miserable weather But by defeating a powerful MCC side which included W G Grace himself in a single afternoon s play they turned English cricket on its head The Lord s crowd having begun by openly laughing at the tourists were soon wildly celebrating a victory that has been described as arguably the most momentous six hours in cricket history and claiming the Australians as their own The Strangers Who Came Home is a compelling social history which brings that momentous summer to life telling the story of these extraordinary men who travelled thousands of miles risking life and limb playing 43 matches in England as well as several in Philadelphia America on their return journey during a demanding but ultimately triumphant homecoming It reveals how their glorious achievements on the field of play threw open the doors to international sports touring and how these men from the colonies provided the stimulus for Australian nationhood through their sporting success and brought unprecedented vitality to international cricket **Players**

Tim Harris, 2009-11-10 It may be natural to play games but the sports we love aren t natural at all Each and every one of them has been invented tweaked pushed and pulled to come up with better rules cleverer tactics and more effective techniques There are no prizes for guessing who invented the Cruyff Turn or the Fosbury Flop but who invented the header or the sliding tackle The dive pass or the scrum The lob or the smash The sand wedge or the tee The googly or the flipper This book introduces 250 men women and animals each of whom has transformed at least one major sport Famous or infamous remembered or forgotten god like or god awful the game was never the same after them In making his selection Tim Harris author of Sport has drawn on years of passion argument and research to produce a list that is at once personal and authoritative provocative and challenging the rogues rulers and revolutionaries who shaped the games we play today

The British World and an Australian National Identity Jared van Duinen, 2017-09-14 This book explores the dynamics of Anglo Australian cricketing relations within the British World in the late nineteenth and early twentieth centuries It explores what these interactions can tell us about broader Anglo Australian relations during this period and in particular the evolution of an Australian national identity Sport was and is a key aspect of Australian culture Jared van Duinen demonstrates how

sport was used to rehearse an identity that would then emerge in broader cultural and political terms Using cricket as a case study this book contributes to the ongoing historiographical debate about the nature and evolution of an Australian national identity

The Ashes Ken Piesse,2007-07-25 Australia v England The Legendary urn Grace Bradman Warne Bodyline and the World Series breakaway The touchstones of the Ashes loom large in the consciousness of two proud and competitive nations This book joins the dots in a comprehensive account of the Ashes tests from their informal beginnings in the 1860s to the already legendary Australian 5 0 reclaimtion of 2007 The Ashes reviews each decade with a feast of lively anecdotes and fascinating eyewitness accounts highlighting legends of the game from Hobbs to Lillee as well as those unfortunately or best forgotten Packed with argument busting statistics and handsomely illustrated this definitive volume tracks the development of cricket s ultimate contest from a money making exercise to one of the world s most enduring and feisty sporting rivalries

Sticky Wickets Glen Humphries,2023-08-31 The story of cricket is littered with big stories like Bodyline underarm balls and tycoons changing the game But like Tony Greig checking out the pitch with his keys sometimes things fall through the cracks Sticky Wickets takes a look at stories both big small and perhaps forgotten From bees and their dislike of cricket to a storm caused when a cameraman criticised a Test player s fielding It s perfect to pick up when rain delays play Punch ,1882 *The Fight for the Ashes in 1926* Pelham Francis Warner,1926 The Best XI Geoffrey Boycott,2009-05-28 Who d make it into the best England team ever And you can chose anyone regardless of when they might have played Would W G Grace be playing alongside Denis Compton and David Gower Or Kevin Pietersen The debate could be endless so who better to make the selection than Geoffrey Boycott himself one of England s all time highest scoring Test batsmen and now the game s most forthright shrewd and iconoclastic commentator Based on his own fresh analysis amd interpretation of the statistics Boycs has come up with his own sometimes surprising Best Eleven of all time And he s not just cast a critical eye over England s finest either Every other test playing nation comes under the spotlight You may not agree in fact you re almost certain not to but each player has been carefully chosen and the case for his inclusion forcefully argued in what is sure to be the most entertaining thought provoking and memorable cricket books of the year from one of the game s most outspoken and enduring characters *The History of the year; a narrative of the chief events and topics of interest* ,1882

The Demon Fred Spofforth Richard Cashman,2014 **Steve Smith's Men** Geoff Lemon,2018-11-01 A frank fearless and often humorous account of the 2018 ball tampering scandal in the Australian cricket team from a writer who was there for every ball and every statement **Baily's Magazine of Sports and Pastimes** Tresham Gilbey,1878 Baily's Magazine of Sports & Pastimes ,1892 *C.B. Fry's Magazine* ,1905 *Truth* ,1926 *James Lillywhite's Cricketers' annual, ed. by C.W. Alcock* Charles W. Alcock,1883 **Seasons in the Sun** Robert Coleman,1993 **The Badminton Magazine of Sports and Pastimes** ,1908 The Badminton Magazine of Sports & Pastimes ,1912 Badminton Magazine of Sports and Pastimes Alfred Edward Thomas Watson,1908
