Another Roadside Attract:

Another Roadside Attraction Tom Robbins, 2003-06-17 A stunningly original semicomical thriller from the New York Times bestselling author of *Still Life with Woodpecker* Written with a style and humor that haven't been seen since Mark Twain Los Angeles Times What if the Second Coming didn't quite come off as advertised What if the Corpse on display in that funky roadside zoo is really who they say it is what does that portend for the future of western civilization And what if a young clairvoyant named Amanda reestablishes the flea circus as popular entertainment and fertility worship as the principal religious form of our high tech age *Another Roadside Attraction* answers those questions and a lot more It tells us for example what the sixties were truly all about not by reporting on the psychedelic decade but by recreating it from the inside out In the process it is fully capable of simultaneously eating a literary hot dog and eroding the borders of the mind Hard to put down because of the sheer brilliance and fun of the writing The sentiments of Brautigan and the joyously compassionate omniscience of Fielding dance through the pages garbed colorfully in the language of Joyce Rolling Stone

Another Roadside Attraction Tom Robbins, 1981 *Funhouse* David Kerekes, 2002 A gothic blood curdling edition of the world's greatest journal of sex religion and death Incisive and cutting edge essays from the world of underground film fanaticism crime sex art trash and sleaze Contents include A visit to the reclusive director of 70s seminal obscure horror movie *Last House on Dead End Street* interview with Tom Robbins whose book *Another Roadside Attraction* Elvis was reputed to be reading when he died and Laurence O Toole author of *Pornucopia* on set with gonzo pornmaker Buttman Illustrated with 20 black and white illustrations

Tom Robbins Catherine E. Hoyser, Lorena Laura Stookey, 1997-10-28 This is the first book length study of the popular novelist Tom Robbins Whimsy and humor characterize Robbins work but style and language are the keystones Hoyser and Stookey show how Robbins deftly uses style and humor to depict the absurdities and injustices of our world His novels constantly challenge perceptions of the world that people automatically label as normal His fiction criticizes the complacency of humans in a world becoming increasingly alienated from nature and the joy of life In addition to a critical analysis of each of his novels the study contains biographical material never before published and the first full length bibliography on Robbins including a bibliography of reviews of his fiction This is the first book length study of the popular novelist Tom Robbins Whimsy and humor characterize Robbins work but style and language are the keystones Hoyser and Stookey show how Robbins deftly uses style and humor to depict the absurdities and injustices of our world His novels constantly challenge perceptions of the world that people automatically label as normal His fiction criticizes the complacency of humans in a world becoming increasingly alienated from nature and the joy of life In addition to a critical analysis of each of his novels the study contains biographical material never before published and the first full length bibliography on Robbins including a bibliography of reviews of his fiction The study features a biographical chapter a chapter on context and style and individual chapters on each of his novels
