

HERVEY ALLEN

From the publication of his *Discourse on the Spanish War*, which he wrote for the National Guard serving in the Mexican War, Hervey Allen has been a valued figure among American writers. His war diary, *Travels and Travels*, was recognized as one of the best work of the American literature of the war years. In *Johns Hopkins: The Life and Times of Edgar Allan Poe* he was generally recognized as the definitive work on the subject. His second volume of poetry has been widely praised.

Born in Portland, Me., in 1886, he long studied French and English and, as a student writer abroad, first met in 1910 the U. S. Naval Academy. He spent four years in the United States, his education of military nature. He was in 1914 graduated from the University of Portland with honors in literature of letters in literature. He was employed by the Ball-Tetterton Company for some time as publisher and editorial work.

From 1917 when he returned to the National Guard, until the spring of 1918, he was almost continuously active against the Mexican War, and in the U. S. F. in the Department of Education in France. He was recruited in the latter fighting about France. Returning to the States during the Japanese War, he was again available.

Appointed instructor in the University of Chicago, he spent the year, 1920, when he taught and wrote a widely influential part in the field of literature in modern American poetry. He collaborated with Edith Sitwell in a book of poems, and continued to live there. He was then called to the English faculty at Columbia, where he continued until 1925, returning to writing with great and power.

In the summer of 1925 he went to the Bahamas and sailed about the islands in an old schooner, always taking for a place to live. The volume was largely written away by the great beauties of that year in which he was really married.

It was at Bermuda in 1925 that Hervey Allen met the woman who would be his wife and the woman of the greatest of his work. With his wife and two small daughters, Hervey Allen spent some years at "Thirty Hall," an old house situated in the Bermuda where he and his family continued to live. The novel has been his work in preparation, and many more poems were composed in England and abroad.

Originally designed to appear in three separate volumes the publisher has combined the book for financial reasons, though it was written in the conventional and regular in the public.
