Education for Indian Survival as a People United States. National Advisory Council on Indian Education, 1981 **The Franchise: Considered as a Means of a People's Training** Edward Miall, 1851 *The Jews as a Chosen People* S. Leyla Gurkan, 2008-12-05 The concept of the Jews as a chosen people is a key element of the Jewish faith and identity This book explores the idea of chosenness from the ancient world through modernity and into the Post Holocaust era Analysing a vast corpus of biblical ancient rabbinic and modern Jewish literature the author seeks to give a better understanding of this central doctrine of the Jewish religion She shows that although the idea of chosenness has been central to Judaism and Jewish self definition it has not been carried to the present day in the same form Instead it has gone through constant change depending on who is employing it against what sort of background and for what purpose Surveying the different and sometimes conflicting interpretations of the doctrine of chosenness that appear in Ancient Modern and Post Holocaust periods the dominant themes of Holiness Mission and Survival are identified in each respective period The theological philosophical and sociological dimensions of the question of Jewish chosenness are thus examined in their historical context as responses to the challenges of Christianity Modernity and the Holocaust in particular This book will be of interest to scholars and students of Jewish Studies the Holocaust religion and theology **Prostration before God, for our sins, our becoming attitude as a people.
