Ascended Master Discourse:

Ascended Master Discourses Godfré Ray King,1937 **Step by Step** Ascended Masters,2017-04-27 These inspirational teachings on invoking your Higher Self the I AM Presence were given to a group of former members of the Saint Germain Foundation After the ascension of Godfre Ray King this small group met during the 1940s at a ranch near Santa Rosa California to hear the Masters give these discourses Only after thirty years were the notes of these discourses discovered in Mount Shasta in the attic of Pearl Dorris a former director of the San Francisco I AM Sanctuary She turned them over to a small group of her students to edit out personal or repetitive material and finally gave them to Peter Mt Shasta one of her closest students to publish After being out of print for many years he has now published this new edition To those able to tune in to their Inner Self the power of these discourses is transcendent The "I am" discourses Guy W. Ballard,1984 **The I AM Discourses** ,1940 **Step by Step** Peter Mt. Shasta,2017-04-27 Inspirational teachings on invoking your Higher Self the I AM Presence given by ascended masters to a group of students of Saint Germain in the 1940s These masters are beings who once lived on earth but now serve humanity from the realms of light Tune in to your Inner Self to feel the transcendent power of these discourses **The I AM Discourses** Godfre Ray King,St. Germain,1935 Awaken to the fact that your thought and feeling in the past have built created the inharmony of your world today Arise I say Arise and walk with the Father the I AM that you may be free from these limitations Life in all Its Activities everywhere manifest is God in Action and it is only through lack of the understanding of applied thought and feeling that mankind is constantly interrupting the pure flow of that Perfect Essence of Life which would without interference naturally express Its Perfection everywhere **I Am the Open Door** MT. PETER. SHASTA,2019-12-27 When Jesus said I AM the open door he was referring to the I AM Presence of God that is the life force of every individual The Ascended Masters beings who once lived on Earth have become one with that Inner Presence Here they teach how to bring that God Consciousness into daily life These Masters appeared visibly to give these teachings to Peter Mt Shasta and their appearance was not the result of an attempt to channel them on his part *The "I AM" Discourses* Saint Germain,2024 The I AM Discourses the third part of the Instruction Manual for a Successful Life provides a concentrated and detailed explanation of the Universal Laws governing human development and empowerment on physical mental and spiritual levels Understanding and observing these laws can help individuals avoid mistakes find an easier path and achieve their goals more quickly While the I AM Discourses are an Advaita Manual abolishing all opposites they hold particular relevance for major monotheistic religions These spiritual explanations should be essential in any religious or spiritual community and in any household where the pursuit of truth is a priority The profound I AM statements from the books of Moses and Jesus along with the enigmatic riddles of the Bible find resolution within these teachings The entire work of Jesus the Old Testament Judaism and Islam are given a refreshing new perspective This book is not only for Christians Jews and Muslims but also for Hindus Buddhists and anyone else seeking to

unlock their full potential and gain profound insights into life's mysteries. It serves as an incomparably sacred scripture, the Vedanta of the Western and Middle Eastern world. Although first published in 1935, its wide distribution was initially limited to a spiritual movement. This edition aims to rectify that and bring the epoch-making book the attention it truly deserves.

Navigating the Fourth Dimension Linda Stein-Luthke, Martin F. Luthke, 2013-02. From the back cover of the book: For thousands of years, human consciousness has been mired in the muck of fear, confusion, and suffering. However, the patterns of the past no longer apply. At last, Mother Earth and all who reside upon her have set out on an unprecedented trajectory toward awakening. Each one of us can now choose to live in a new paradigm, the fourth dimension. We define the fourth dimension as a higher vibrational state of being that is characterized by trust, empowerment, abundance, peace, balance, and harmony. It is based on the realization that we are beings of Light who carry formidable power as co-creators of our universe. Living in the fourth dimension requires a conscious shift from relying on the fear-based ego mind to trusting the heart-centered guidance of our Higher Selves. The Ascended Masters discuss how to let go of our history, how to heal anger, fear, and pain, and how to develop a personal knowing of our Light. You too can take the next step toward creating Heaven on Earth. This book tells you how. In addition to a channeled discourse from the Ascended Masters St Germain and El Morya Khan, this book contains reprints of the first ten issues of the Ascended Masters Newsletter published by the authors.

CONTENTS Foreword About the Authors The Past No Longer Applies Fear is the Obstacle You Are in the Center of Your Universe Discussing the Mindset for Change How You Co-Create Your Universe The Earth is Awakening with You Believe Trust and Expect What is Possible Understand That the Light Empowers You to Change Your Universe Sit and Be Still as Frequently as Possible and Surrender to Your Light Allow the Light to Heal your Fear and Anger Allow the Light to Guide You in Every Moment and in Everything You Do Let Go of Judgment of Self and Others in All Things Let Go of Trying to Change the World Around You Open to a New Way of Being and Thus Change the Universe in Which You Reside The One Percent Solution
