**Robert Ashley** Kyle Gann, 2012-12-16 This book explores the life and works of the pioneering opera composer Robert Ashley one of the leading American composers of the post-Cage generation Ashley's innovations began in the 1960s when he along with Alvin Lucier Gordon Mumma and David Behrman formed the Sonic Arts Union a group that turned conceptualism toward electronics He was also instrumental in the influential ONCE Group a theatrical ensemble that toured extensively in the 1960s During his tenure as its director the ONCE Festival in Ann Arbor presented most of the decade's pioneers of the performing arts Particularly known for his development of television operas beginning with *Perfect Lives* Ashley spun a long series of similar text-music works sometimes termed performance novels These massive pieces have been compared with Wagner's Ring Cycle for the vastness of their vision though the materials are completely different often incorporating noise backgrounds vernacular music and highly structured even serialized musical structures Drawing on extensive research into Ashley's early years in Ann Arbor and interviews with Ashley and his collaborators Kyle Gann chronicles the life and work of this musical innovator and provides an overview of the avant-garde milieu of the 1960s and 1970s to which he was so central Gann examines all nine of Ashley's major operas to date in detail along with many minor works revealing the fanatical structures that underlie Ashley's music as well as private references hidden in his opera librettos

**The Ashleys** Melissa de la Cruz, 2008-06-23 The Ashleys rule Miss Gamble's Preparatory School for Girls They are gorgeous rich impeccably fashion-forward and yes all named Ashley Lauren Page has gone to the same school with them her whole life and the Ashleys if forced to remember might recall only a faint memory of shoving mud in the poor girl's mouth in kindergarten But Lauren Page is no longer the mud-eating loser she once was And though she has completely changed her exterior from bargain basement cast-offs to off-the-runway couture props of course to her new personal shopper she is still the same person on the inside And that person has had enough of the current regime Look out Ashleys There's a new name in school

**Naming Your Little All-Star** Scott Rubin, 2026-01-06 From the creator of *Naming Your Little Geek* this sports-focused baby-naming guide includes athletes from your favorite sports From quarterback Aaron Rodgers to windsurfer Zara Davis *Naming Your Little All-Star* is packed with a variety of names of sports legends from around the world Each entry includes the name the etymology and meaning and the athletes who made the name even greater Including men women and nonbinary athletes this unique baby-naming guide is just what every sports-loving family needs when it is time to decide what to name their baby

**One Breath** Adam Skolnick, 2016-01-12 *One Breath* is a gripping and powerful exploration of the strange and fascinating sport of freediving and of the tragic untimely death of America's greatest freediver Competitive freediving a sport built on diving as deep as possible on a single breath tests the limits of human ability in the most hostile environment on earth The unique and eclectic breed of individuals who freedive at the highest level regularly dive hundreds

of feet below the ocean's surface reaching such depths that their organs compress light disappears and one mistake could kill them. Even among freedivers few have ever gone as deep as Nicholas Mevoli. A handsome young American with an unmatched talent for the sport, Nick was among freediving's brightest stars. He was also an extraordinary individual, one who rebelled against the vapid and commoditized society around him by relentlessly questing for something more meaningful and authentic, whatever the risks. So when Nick Mevoli arrived at Vertical Blue in 2013, the world's premier freediving competition, he was widely expected to challenge records and continue his meteoric rise to stardom. Instead, before the end of that fateful competition, Nick Mevoli had died, a victim of the sport that had made him a star and the very future of free diving was called into question. With unparalleled access and masterfully crafted prose, *One Breath* tells his unforgettable story and of the sport which shaped and ultimately destroyed him.
