

Defiant Light

Mrs. R. H. Reade

Defiant Light:

Tall Ship Sailor Dan Hayden,2021-07-14 To a regular passerby the ship seemed as if it was a lonesome thing abandoned and forgotten The disarray of normally taut lines and sheets that hung loosely from their spars suggested the ship had been inactive and somewhat neglected A traditionally active sailing vessel normally full of human activity was now quiet and dormant aching for action and people to occupy her decks The wind from the busy harbor whistled by her wooden masts and through her hundreds of lines making an eerie sound The gentle rocking of the ship creaked in unison as the waves lapped against the wharf s old wooden piers The Defiant waited Soon there would be an opportunity

Lighting with Purpose,2016-08-09 Location portraiture offers many advantages The backgrounds are varied the surroundings can tell a story about the client and the setting can help tell the subject s story Working on location presents unique challenges however Often the photographer is working in an unfamiliar place in which the lighting is not ideal for portraiture Light is the very backbone of a good portrait so the need to manage and modify the light becomes a top priority in the portrait session The Dachowskis teach you how to harness the light in any scenario from direct sun to window light to fluorescent light to household lamp light and even mixed lighting scenarios to create correct exposures and believable image color You ll learn to restrict and enhance the light add dramatic highlights and shadows to create dimension and set the mood in the portrait With these tips you ll learn to handle location portrait challenges with ease and confidence

The Navigator PM Johnson,2016-04-19 EARTH HAS CHANGED The old world order collapsed following the meteor impacts of 2031 when fire rained down from the skies instantly vaporizing millions Billions more died during the Long Winter and resource wars that followed Over one hundred years have passed since those devastating events and new societies have formed around the globe In North America the fragile peace that exists among the continent s independent nations and city states is under threat The ambitious Grand Guardian of the People s Republic of America is mobilizing his massive war machine in order to make real his dream of reunifying a former great power But on the eve of the offensive a leading scientist dies under mysterious circumstances though not before he entrusts another with the key to unlocking a secret A secret so powerful it could not only unravel the Grand Guardian s designs but also doom or save all of humanity Book 2 The Warrior and Book 3 The Renegade and Book 4 The Conqueror now available
