## **Defying Hitler:**

**Defying Hitler** Sebastian Haffner, 2002 When the German historian Sebastian Haffner died in 1999 aged 91 his son discovered the manuscript for this book hidden in a chest of drawers It had been written in 1939 in England but abandoned when the war broke out The reasons which made Haffner put it aside its rawness its revelations its closeness to the events it describes are precisely what makes it such compelling reading today This memoir of growing up in Berlin between 1914 and 1933 shows how his generation of German youth were seduced by Hitler and the Nazis The First World War turned Sebastian Haffner aged seven in 1914 into a fanatical jingoist The numbing shock of defeat in 1918 is followed by the confusion of revolution and republic and then the hyperinflation of 1923 The currency is stabilized but as the 1920s continue the Weimar Republic fails to capture the imagination of the Germans whose capacity for private happiness Haffner believes has been fatally sapped by the events of 1914 1924 Under the illusion of normality the Nazi revolution is steadily gaining ground

*Defying Hitler* Sebastian Haffner, 2026-10-15 An absolute classic of autobiography and history one of the few books to explore how and why the Germans were seduced by Hitler and Nazism If you have never read a book about Nazi Germany before or if you have already read a thousand I would urge you to read DEFYING HITLER It sings with wisdom and understanding DAILY MAIL Sebastian Haffner was a non Jewish German who emigrated to England in 1938 This memoir written in 1939 but only published now for the first time begins in 1914 when the family summer holiday is cut short by the outbreak of war and ends with Hitler s assumption of power in 1933 It is a portrait of himself and his own generation in Germany those born between 1900 and 1910 and brilliantly explains through his own experiences and those of his friends how that generation came to be seduced by Hitler and Nazism The Germans lacked an outlet for self expression where the French had amour food and wine and the British their gardens and their pets the Germans had nothing leading to a tendency towards mass psychosis The upheaval of post WWI revolution factionalism and inflation left the Germans addicted to excitement and action Hitler provided this and more

**Defying Hitler** Sebastian Haffner, 2026-08-18 Written in 1939 and unpublished until 2000 Sebastian Haffner s memoir of the rise of Nazism in Germany offers a unique portrait of the lives of ordinary German citizens between the wars Covering 1907 to 1933 his eyewitness account provides a portrait of a country in constant flux from the rise of the First Corps the right wing voluntary military force set up in 1918 to suppress Communism and precursor to the Nazi storm troopers to the Hitler Youth movement from the apocalyptic year of 1923 when inflation crippled the country to Hitler s rise to power This fascinating personal history elucidates how the average German grappled with a rapidly changing society while chronicling day to day changes in attitudes beliefs politics and prejudices **Women**

**Defying Hitler** Nathan Stoltzfus, Mordecai Paldiel, Judy Baumel-Schwartz, 2021-08-12 This timely volume brings together an international team of leading scholars to explore the ways that women responded to situations of immense deprivation need and victimization under Hitler s dictatorship Paying acute attention to the differences that gender made Women Defying

Hitler examines the forms of women's defiance, the impact these women had, and the moral and ethical dilemmas they faced. Several essays also address the special problems of the memory and historiography of women's history during World War II, and the book features standpoints of historians as well as the voices of survivors and their descendants. Notably, this book also serves as a guide for human behaviour under extremely difficult conditions. The book is relevant today for challenging discrimination against women and for its nuanced exploration of the conditions minorities face as outspoken protagonists of human rights issues and as resisters of discrimination. From this perspective, the voices being empowered in this book are clear examples of the importance of protest by women in forcing a totalitarian regime to pause and reconsider its options for the moment. In revealing so, *Women Defying Hitler* ultimately foregrounds that women rescuers and resisters were and are of great continuing consequence.

**Defying Hitler** Gordon Thomas, Greg Lewis, 2019. Nazi Germany is remembered as a nation of willing fanatics, but countless Germans actively resisted Hitler. No matter how small the act, the danger was the same: any display of defiance was met with arrest, interrogation, torture, and even death. Thomas and Lewis follow the underground network of Germans who believed standing against the Führer to be more important than their own survival. Their bravery is astonishing, and the authors illuminate their struggles, yielding an accessible narrative history with the pace and excitement of a thriller. Adapted from jacket.

**Resisting Nazism** Luke Berryman, 2026-01-22. *Resisting Nazism* paints a vivid picture of resistance to far-right extremism across the generations.

**Defying Hitler Proof** Sebastian Haffner, 2002-05-01. **Defying Hitler** Nel Yomtov, 2018-08. The last thing Adolf Hitler expected to see in Nazi Germany was a black man winning a gold medal. But Jesse Owens didn't just win at the 1936 Summer Olympics; he dominated the track and field events, winning four gold medals and setting several world records. With action-packed illustrations, now you can watch one of the greatest moments in sports history as Owens proves that people of any race can compete and win at the Olympic games. publisher's description.
