Acts Of Implication:

Acts of implication Irvin Ehrenpreis,1978 **Acts of Implication** Irvin Ehrenpreis,2024-07-26 Acts of Implication argues that the best approach to the aesthetic value of much literature of the past is by way of the deliberate meaning implicit or explicit that the author invites the reader to share Irvin Ehrenpreis shows that subtlety and indirection do not militate against the didacticism and lucid style we usually associate with writers in the Augustan tradition In a group of simulating essays he examines how an eighteenth century dramatist an essayist a poet and a novelist imply meaning about politics religion and sexual passion focusing on their concept of heroism to elaborate these themes This title is part of UC Press s Voices Revived program which commemorates University of California Press s mission to seek out and cultivate the brightest minds and give them voice reach and impact Drawing on a backlist dating to 1893 Voices Revived makes high quality peer reviewed scholarship accessible once again using print on demand technology This title was originally published in 1980
