**Collected Papers of the Mayo Clinic, Rochester, Minnesota** Mayo Clinic, 1919 **Mine to Covet** Kameron Claire, 2024-01-09 What happens when the veteran who is secretly from a famous and affluent Hollywood family covets a dog treat baker whose ex fiancée uses money to control her For the last six years I've kept the truth about my family away from the men and women I met while

serving in the US Army What they don't know is I'm the youngest son and black sheep of an old money high powered Hollywood family I never wanted the life they crave and it was either the Army jail or a pine box if I had continued down the reckless path I was on as a teenager Now I'm separating from the military and looking at the next phase of my life which I hope includes investing in the Veteran K9 Center in Spring City Colorado The men working at this facility have been my family since graduating high school and their influences are what I think I need in my future And then I meet Tess a beautiful bartender with a dream of starting a doggie bakery That's a dream I can help make a reality with my inheritance and I don't even have to tell anyone where it came from All I have to do is go home and meet with the lawyer to release my trust fund so I can invest in what I hope will be my future Our future Only my mother has no intention of not getting her way which leaves me with a choice to make Do I go back to Hollywood to earn my money the family way Or start my life penniless in Colorado Once Tess learns the truth about me will she stand by me either way
