*OFF-GRID PROJECTS: Simple and Effective Methods of Farming, Foraging, Bee-Farming, and Preparing Natural Medicines for Daily Common Ailments* Jimson Lewis, 2023-12-11

Wondering whether an off-grid lifestyle is good for you or not? Many people often associate living off-grid with primitive settings and poor service delivery, but this is not always the case. Although people living in such areas are not connected to the grid and have no access to regular service delivery like their counterparts in urban areas, they can also enjoy a quality life if they know how to use the resources available. You can do different off-grid projects like farming, foraging, and preparing natural medicines for treating common ailments. Life off-grid is cost-effective and offers several benefits. However, to enjoy a great experience away from city life, there are some survival skills you should master. If you are interested in learning what an off-grid lifestyle is all about, this book is for you. The main purpose of this book is to educate the reader on different steps they can take to start various sustainable projects while living off-grid. In other words, this book is a manual you can use to deal with the survival skills required when you live in a remote place. This book is different from others found on the market; it is easy to understand and was designed to be accessible to a wide range of people with different knowledge levels.
