Backyard Sheep Farming:

Backyard Sheep Farming Ann Williams, 1978 *Raising Sheep* Dion Rosser, 2020-12-12 If you've always wanted to raise sheep in your backyard or small farm but don't have the expertise then keep reading. Have you read about raising sheep before but nothing seems to offer enough information for you to complete this task successfully? Do you finally want to say goodbye to your thoughts about failure and discover something that works for you? If so then you've come to the right place. Raising sheep need not be difficult even if you have tried it in the past without success. The number of small scale sheep farmers in the U.S. is on the rise. Many small scale sheep farmers raise not only healthy sheep but also make a steady income by selling sheep products. Here's just a fraction of what you'll discover in this book. Get to know the real facts about sheep and raising them in backyards and small farms. Familiarize yourself with the various sheep breeds and their purposes. How to identify the differences between raising sheep in backyards vs small farms. Learn about sheep housing methods and fencing. Enlighten yourself about the nutritional needs of sheep and how to feed them. Master the art of guarding sheep. Understand sheep shearing care and maintenance. Discover all you need to know about sheep reproduction. Get to know the lambing process to guarantee increased lambing rates. Learn how to keep your sheep healthy. Discover various ways you can sell sheep products to different markets. Learn how to show sheep and be great at it. And much much more. Imagine how you'll feel when raising a healthy and happy flock of sheep and when your sheep raising venture becomes successful bringing you extra income. Even if you're new to raising sheep or have tried it before without success you can still succeed by reading this book. If you've always dreamed of becoming a successful small scale sheep farmer or raising sheep in your backyard then scroll up and click the add to cart button.

The Sheep Book For Smallholders Tim Tyne, 2010-03-15 This promises to be the only book on sheep you will ever need. Packed full of detailed information. *The Sheep Book for Smallholders* covers every aspect of keeping sheep on a small scale. Beginning with a brief overview of the sheep industry and the rise and fall of the artisan shepherd the author has logically divided the book up into the shepherd's calendar so that the sheep keeper knows what to expect with each season. All aspects of looking after the flock are covered including selection culling nutrition housing lambing grassland management ailments and prevention. There are also sections on home slaughter and butcher and uniquely processing the byproducts including the fleece and keeping sheep for dairying. Unusually the book also has a section on training sheepdogs. Supported by stunning photography and clear illustrations as well as huge and useful appendices. This is a welcome addition to the smallholder's bookshelf and is going to be a reference classic in years to come.
