

# PROTECTING YOURSELF AGAINST IDENTITY THEFT

## Be Vigilant

- Check your credit report at least once a year for errors
- Periodically review your bank and debit/credit card accounts for suspicious charges/activity

## Consider a Fraud Alert or Credit Freeze If Necessary

- A fraud alert requires creditors to take extra steps to verify your identity before extending any existing credit or issuing new credit in your name
- A credit freeze prevents new credit and accounts from being opened in your name

## Stay One Step Ahead

- Maintain strong passwords or consider using a password manager
- Consider using two-step authentication when available
- Minimize information sharing and be wary of requests for personal information, whether received in an email, letter, or phone call
- Beware of scam websites and only use secure connections when shopping online
