Beirut Spy:

Beirut Spy Saïd K. Aburish, 1990 An insider's account of espionage intrigue and conspiracy in the post war Middle East which reads like a thriller It is peopled with real life spies politicians journalists and diplomats featuring such famous names as Kim Philby Miles Copeland Wilbur Crane and James Russell Barracks **Beirut Station** Paul Vidich, 2023-10-03 A stunning new espionage novel by a master of the genre Beirut Station follows a young female CIA officer whose mission to assassinate a high level Hezbollah terrorist reveals a dark truth that puts her life at risk Lebanon 2006 The Israel Hezbollah war is tearing Beirut apart bombs are raining down residents are scrambling to evacuate and the country is on the brink of chaos In the midst of this turmoil the CIA and Mossad are targeting a reclusive Hezbollah terrorist Najib Qassem Najib is believed to be planning the assassination of Secretary of State Condoleezza Rice who is coming to Beirut in ten days to broker a cease fire The spy agencies are running out of time to eliminate the threat They turn to a young Lebanese American CIA agent Analise comes up with the perfect plan she has befriended Qassem's grandson as his English tutor and will use this friendship to locate the terrorist and take him out As the plan is put into action though Analise begins to suspect that Mossad has a motive of its own exploiting the war's chaos to eliminate a generation of Lebanese political leaders She alerts the agency but their response is for her to drop it Analise is now the target and there is no one she can trust not the CIA not Mossad and not the Lebanese government And the one person she might have to trust a reporter for the New York Times might not be who he says he is A tightly wound international thriller Beirut Station is Paul Vidich's best novel to date **A Spy's London** Roy Berkeley, 1994-11-14 A historical tour of London landmarks for anyone fascinated by intrigue and espionage Includes maps and photos James Bond may be fictional but London is indeed the espionage capital of the world This book takes us through the city's espionage history with evocative photos and compelling stories and observations about 136 landmarks conveniently organized into manageable walking tours for those living in or visiting the city Go behind the facades of ordinary buildings to learn more about clandestine operations from the modest hotel suite where an eager Red Army colonel poured out his secrets to a team of British and American intelligence officers to the royal residence where one of the most slippery Soviet moles was at home for years and the London home where an MP plotting to appease Hitler was arrested on his front steps in 1940 **Israeli Secret Services** Frank Clements, 2017-07-05 The Israeli Institute for Intelligence and Special Services the Mossad is probably the best known of the world's intelligence services one of the most suspected and certainly one of the most intriguing However despite its fame the available literature other than Hebrew is limited and scattered amongst a variety of subject areas because the tentacles of the Mossad are similarly varied The aim of this volume is to document the range of English language material available on the Mossad from its pre-official origins in Europe during the Second World War to the present period of the Middle East peace process The organization had its origins in the aftermath of the Holocaust being the agency responsible for organizing the illegal Jewish immigration into Palestine before becoming

officially constituted in 1951 Since its formation the Mossad has been intimately involved in each of the significant events in Israel s history including actions against its Arab neighbors the hunting of wanted Nazis spectacular actions such as the raid on Entebbe to free the hostages counter terrorist activities and high technology espionage against friend and foe alike This bibliography will be of interest to researchers covering intelligence activities and to students scholars and librarians interested in the history of Israel and its relations with its Arab neighbors The early material on the Mossad will also be of special concern to students of the Holocaust and its aftermath

Spies and Traitors Michael Holzman,2021-01-07 Kim Philby s life and career has inspired an entire literary genre the spy novel of betrayal He was one of the leaders of the British counter intelligence efforts first against the Nazis then against the Soviet Union He was also the KGB s most valuable double agent so highly regarded that today his image is on the postage stamps of the Russian Federation Philby was the mentor of James Jesus Angleton one of the central figures in the early years of the CIA who became the long serving chief of the counter intelligence staff of the Agency James Angleton and Kim Philby were friends for six years or so Angleton thought They were then enemies for the rest of their lives This is the story of their intertwined careers and a betrayal that would have dramatic and irrevocable effects on the Cold War and US Soviet relations Featuring vivid locations in London Washington DC Rome and Istanbul *SPIES AND TRAITORS* anatomises one of the most important and flawed personal relationships in modern history

Patriots and Profiteers R.T. Naylor,2008-10-16 R T Naylor demonstrates that economic warfare fails almost everywhere it is attempted and that even when it succeeds it has consequences that are not only unintended but also frequently the precise opposite of their advertised result

Warlords and Merchants Kamāl Dib,2004 Warlords and Merchants examines the history of the Lebanese warlord business establishment and illuminates local attitudes which have often seemed baffling to the outside world The book provides a close up study of Lebanese leaders and the business class It provides a seminal illustration of and insight into the resistance of local cultures and small countries such as Lebanon to the juggernaut of globalization Based on firsthand observations and knowledge of Lebanese history economy language and culture the author deals here with most of the issues that vex Lebanon today sectarianism traditional leadership outdated business practices an archaic economic structure and a deep sense of historical grievances Warlords and Merchants is a must read for policymakers business and political leaders as well as students and academics with research interests in Lebanon the Middle East and international affairs
