Choosing Is:

Choosing Is a Choice Jalissia Tiekton, 2012-06 Have you ever wondered if God doesn't really care about the ninety nine sheep that stayed? Do you ever think that getting in trouble will give you recognition and love when you return? Choosing Is a Choice is about Christian teens making choices once they are beginning to emerge from under their parents' influence. This book takes them through a journey with a youth group or by themselves as they read stories about how Jill Tiekton makes decisions that bring her closer to God and how her life was impacted by the numerous bad decisions that others made around her. Teens will find adventure is not only for the ones being rescued from the wrongs they have committed. Life is challenging and exciting without experiencing the bad decisions that others have made. Discover the effects words and lies have on decisions teens making convictions for themselves and the need to know what God thinks about them while they discover the truth that every day their choices are theirs alone. *An Experimental Investigation of the Process of Choosing* Raymond Holder Wheeler, 1920 *Introduction to Production Economics* John Donald Black, 1926 **Vision**, 1907 **Primitive Methodist**, 1896 **Rubber Journal**, 1929 **Florida Public Works**, 1940 **Mind**, 1891 A quarterly review of philosophy **Doing the Impossible** John E.
