Created In Gods Image

**Saint Augustine (of Hippo), Richard
Stothert**

Created In Gods Image:

Created in God's Image Anthony A. Hoekema,1986 Hoekema discusses the implications of the assertion that humankind was created in the image of God devoting several chapters to the biblical teaching on God s image the teaching of philosophers and theologians through the ages and his own theological analysis Suitable for seminary level anthropology courses yet accesible to educated laypeople Copyright Libri GmbH All rights reserved **The Illustrative Lesson Notes** John Heyl Vincent,Jesse Lyman Hurlbut,John Thomas McFarland,1893 [The Works of Aurelius Augustine: The city of God](#) Saint Augustine (of Hippo),1897 **Illustrative Notes** ,1893 **God did not create Man/Man Created God** Sudhansu S. Tunga,2023-10-11 It is our common belief and conviction for most people that God created this universe and all that it possesses including mankind This knowledge is obtained from the religious literature of most religions which is hardly five thousand years old But the universe was born 13 8 billion years earlier and man has appeared on earth just two hundred thousand years ago At that time there was no God Religious beliefs stand upon man s ignorance and superstitions not on any sound scientific examination ascribing that it is man who has created God in his fancy and not the other way round Therefore the concept of God and religion should be forsaken for the betterment of all The book deals with this subject in an objective and rational way analyzing all the relevant literatureincluding religious books history archaeology as also physical sciences and other relevant subjects **Created in the Image of God** Dr. David Dockery,2023-08-01 All people have dignity because they are created in the image of God This theological belief has been a liberating force among its believers providing a myriad of beautiful implications in our world On the other hand where the idea of being created in God s image has been misunderstood the implications can be devastating Created in the Image of God brings together leading experts to discuss what it means to be made in image of God and to bring clarity and guidance for implications in the midst of our cultural confusion The overall approach of this work though distinct and focused in each of the chapters reflects a consensus understanding that men and women have been created in God s image that they have fallen and are influenced by sin that Christ has provided redemption through his vicarious death and resurrection and that there is hope in the promise of eternal life in Christ Christ succeeded where Adam failed Rom 5 12 21 1 Cor 15 allowing those who trust in him to enjoy and glorify him forever The rich chapters within and their helpful application to human dignity issues will help our world to regain a sense of the marvelous privilege that is ours as image bearers and how that should impact our engagement with complex dignity issues of our day *God's Presence* Frances Young,2013-10-10 In 2011 Frances Young delivered the Bampton Lectures in Oxford to great acclaim She offered a systematic theology with contemporary coherence by engaging in conversation with the fathers of the church those who laid down the parameters of Christian theology and enshrined key concepts in the creeds and exploring how their teachings can be applied today despite the differences in our intellectual and ecclesial environments This book results from a thorough rewriting of those lectures in which Young explores the key topics

of Christian doctrine in a way that is neither simply dogmatic nor simply historical She addresses the congruence of head and heart through academic and spiritual engagement with God s gracious accommodation to human limitations Christianity and biblical interpretation are discussed in depth and the book covers key topics including Creation anthropology Christology soteriology spirituality ecclesiology and Mariology making it invaluable to those studying historical and constructive theology

We Have Met the Pharisee and He Is Us Duane DeBruler,2024-07-17 The Bible is filled with stories of people who walked away from face to face encounters with Jesus thinking he was a total jerk This book explores the premise that if Jesus were to return today as he did two thousand years ago he or she would meet the same fate That is his own people would fail to recognize who he is they would argue with him incessantly and seek to have him destroyed Written by a seasoned atheist turned Christian this book seeks to help non Christians have a better understanding of Christianity including why we don t always do as we should More importantly at a time when many of our religious and political leaders are calling us to make America hate again this book gives permission to people of all faiths to reject that call and follow Christ s call to love one another Christ s message of love and shalom is timeless and this book seeks to make Jesus present and relevant in our lives today Join a retired school bus driver as he takes you on a trip through the Bible to see things that many lifelong Christians have not seen including reasons why we all may want to argue with Jesus See why there is no such thing as a Godly institution how God has been warning us about global warming for forty years how men are responsible for most abortions and how Christians are called to move forward to make the world a better place rather than reverting to a mythological great past

Searching for Adam Terry Mortenson,2016-10-26 You can believe with great intellectual integrity what the Bible says about Adam and the origin and history of man Though there are a growing number of books out on Adam this one is unique with its multi author combination of biblical historical theological scientific archaeological and ethical arguments in support of believing in a literal Adam and the Fall A growing number of professing evangelical leaders and scholars are doubting or denying a literal Adam and a literal Fall which thereby undermines the gospel of Jesus Christ the Last Adam who came to undo the damaging consequences of Adam s sin and restore us to a right relationship with our Creator This book is increase your confidence in the truth of Genesis 1 11 and the gospel Enhance your understanding pertaining to the biblical evidence for taking Genesis as literal history Discover the scientific evidence from genetics fossils and human anatomy for the Bible s teaching about Adam Understand the moral spiritual and gospel reasons why belief in a literal Adam and Fall are essential for Christian orthodoxy

explanations for the origins of the universe and of life and discusses the scientific understanding of matter space time and

from Christian scientists He completes his analysis with a proposal for the development of a Christian understanding of
