

# WHAT TRIGGERS A SPIRITUAL AWAKENING?

So many of us wonder about what can cause a Spiritual Awakening and how each person has a very different kind of "awakening". The answer depends on the first seven years of our lives and the external environment each of us had in childhood and our whole life. For some people, it can be something very ordinary, mundane; for other people can come after a life-altering situation or trauma. Some people try to find answers that can help them release pain, making them awake. But this depends on each of us and is different for everyone. Some people meet their Twin Flame or Soul Mates, which triggers an awakening and a profound evolution for them.
