Body Rhythm

Paola Crespi

Body Rhythm:

Theatre, Body and Pleasure Simon Shepherd, 2013-10-11 Breaking new ground in the study of performance theory this maverick and powerful project from renowned Renaissance scholar and queer theorist Simon Shepherd presents a unique take on theory and the physical reality of theatre Examining a range of material Theatre Body Pleasure addresses a significant gap in the literary and drama studies arenas and explores the interplay of bodily value the art of bodies and the physical responses to that art It explains first how the body makes meaning and carries value Then it describes the relationships between time and space and body The book's features include large historical range from medieval to postmodern case studies offering close readings of written texts examples of how to read for the body exploring written text as a discipline of the body breadth of cultural reference from stage plays through to dance culture a range of theoretical approaches including dance analysis and phenomenology Writing in accessible prose Shepherd introduces new ways of analyzing dramatic text and has produced a book which is part theatre history part dramatic criticism and part theatrical tour de force Students of drama theatre and performance studies and cultural studies will find this an absolute must read

Rhythm and Critique Paola Crespi, 2020-07-23 Rhythm and Critique presents 12 new essays from a range of specialists to define contextualise and challenge the concepts of rhythm and rhythm analysis It includes newly translated materials from Rudolf Laban and Henri Meschonnic The book begins with a genealogy of rhythm as it occurs through critical theory literatures of the 20th century enabling the reader to situate philosophical and contemporary readings that further define rhythm as a critical term and mode of analysis

Body and Force in Music Youn Kim, 2022-09-01 Our understanding of music is inherently metaphorical and metaphoricity pervades all sorts of musical discourses be they theoretical analytical philosophical pedagogical or even scientific The notions of body and force are the two most pervasive and comprehensive scientific metaphors in musical discourse Throughout various intertwined contexts in history the body force pair manifests multiple layers of ideological frameworks and permits the conceptualization of music in a variety of ways Youn Kim investigates these concepts of body and force in the emerging field of music psychology in the late nineteenth and early twentieth centuries The field's discursive space spans diverse contexts including psychological theories of auditory perception and cognition pedagogical theories on the performer's bodily mechanism speculative and practical theories of musical rhythm and aesthetical discussion of the power of music This investigation of body and force aims to illuminate not just the past scene of music psychology but also the notions of music that are being constructed at present
