*Church That Works* David Oliver, James Thwaites, 2001 Imagine a new way of doing church where God is bigger than we think church is bigger than we think and our role in work is bigger than we think where church leaders spend more time equipping workers in their places of work where workers in every sphere of life paid or unpaid home based or globetrotters are affirmed and released into their God given work role where church meetings are relevant to life and serve the eternal purposes of a working God in the world of work This book dares to dream of such a church and challenges leaders and working men and women alike to embrace wholeheartedly the nature and purpose of their workplace calling Back cover
