Coping Through Effective Time Management:

Coping with Work Stress Philip J. Dewe, Michael P. O'Driscoll, Cary L. Cooper, 2010-10-26 *Coping with Work Stress A Review and Critique* highlights current research relating to the coping strategies of individuals and organizations and provides best practice techniques for dealing with the growing epidemic of stress and lack of overall well being at work. *Reviews and critiques the most current research focusing on workplace stress Provides best practice techniques for dealing with stress at the workplace Extends beyond stress to cover broader issues of well being at work* [Intervention in Occupational Stress](#) Randall R. Ross, Elizabeth M. Altmaier, 1994-03-15 An excellent introduction Readers of this journal looking for a brief but comprehensive introduction to the field of stress management will find this book to be more than adequate for this purpose Perhaps the book's greatest strength is the way it has managed to combine insights and research from both occupational psychology and clinical psychology to tackle workplace stress Cary Cooper would surely be pleased with the authors efforts at what he has termed clinical occupational psychology *International Journal of Social Psychiatry* This practical guide focuses on the intervention strategies which can be employed by counsellors to help individuals suffering from emotional and physiological stresses engendered in the workplace With key points illustrated by case studies chapters define the nature of occupational stress and provide information about the emotional behavioural physiological and cognitive symptoms which can occur The authors also discuss the factors influencing the problem factors which can be tied to the individual to the work setting and to the larger social context Specific coping strategies explored are targeted both at the individual for example relaxation training and stress management programmes and at the workplace for instance job redesign and career planning Finally methods that practitioners can use to evaluate their interventions are presented in detail *Coping Through Effective Time Management* Mary Price Lee, Richard Sandoval Price, 1991-01-01 A discussion of how to be more productive and attain goals more effectively through better time management [Kinn's The Administrative Medical Assistant E-Book](#) Deborah B.
