In a mystical world still recovering from a great war where generations of countless species suffered a very pretty albeit apathetic child prince is haunted by a malicious shadow monster and unable to connect with those around him As the young prince slowly grows his eccentric father the immature king devises a plan to get his son a friend and a local festival competition lands a peasant boy the grand prize of the prince himself The peasant boy Rar has struggles of his own being only half human in a society of humans While being constantly surrounded by those who hate him for being a delida halfling Rar is shocked disappointed and angry when he finds out that his marvelous prize is the prince Rar s worries of being the prince s pet quickly fade after he discovers that the cold seeming prince cares a lot more than he seems and the two quickly become best friends Prince Lucius and Rar have lots of fun together even with the Shadow Monster clinging to the prince and a mysterious Dark Figure following the two around The Dark Figure appears everywhere and although more often than not is unseen and unheard by the two boys seems to have more than a hand involved with the world around them After a massive festering flesh monster attacks Rar starts to accept the fact that even though Prince Lucius is a boy he still has feelings for him But how do you tell your best friend you like them Especially when everyone knows that princes like princesses not peasant boys Then two princes from a neighboring kingdom visit Prince Lucius is Rar being replaced With social structures judgmental jesters worried mothers and an endlessly disappearing reappearing Dark Figure will the two friends manage to stay friends or possibly even find love within their friendship or will the two end up meeting a fate far worse than death
