## **Advanced Magic:**

**Advanced Magic: A Course in Manifesting an Exceptional Life (Book 3)** Genevieve Davis, Advanced Magic is the final part in the Course in Manifesting trilogy a complete course in becoming creator of your own exceptional life In these three books I outline the exact steps that enabled me to move my own life from one of poverty and drudgery to one of previously unimaginable wealth purpose and joy But Magic I do hope you are joking That s what I would have said five or ten years ago I once despised all things New Age all these spiritual types and their airy fairy views their bad science and their irrational beliefs I read all the New Thought and Law of Attraction greats Wallace Wattles Anthony Robbins Rhonda Byrne Napoleon Hill Esther Hicks and Wayne Dyer But no matter how closely I followed their instructions for manifesting love money or happiness I couldn t make it work It was only when I recognised accepted and finally embraced that what I was doing was actually some kind of Magic that suddenly things began to fall into place Once I realised that the power came from within me it was as if the light had suddenly been switched on and my manifestations began to work If you re jaded by the whole New Age Law of Attraction idea have become bored by its failure to deliver these books are for you It is my intention to lead you by the hand through a marvellous journey of wonder and adventure Part one of this course Becoming Magic laid the groundwork for becoming a magical person while the second book Doing Magic offered concrete techniques and instructions for bringing wonderful things into your life And now finally we complete the journey with Advanced Magic It s time to think a little deeper feel a little keener experience a little more intensely and so consolidate and strengthen your knowledge This book is designed to increase the fledgling power that you discovered from the first two books of the course We now need to build on what has gone before boosting your success increasing your Magical power and making your manifestations more reliable and more spectacular Be warned if you want a quick fix of positive thinking to be told that using Magic and the Law of Attraction is fast and simple and anyone can master it with ease I suggest you buy a different book But if you are serious about mastering Advanced Magic if you are willing to treat this with the reverence time care and study that it deserves these books are for you Being really truly in control of making things happen attracting things at will using Advanced Magic consistently and reliably is something of which only a very select few are capable Come with me and become one of them These three books will allow you to complete your journey to becoming a true creator of your own life reawakening and rekindling your belief and interest in Spirituality The Law of Attraction Reality Creation Cosmic Ordering or whatever you wish to call it I prefer simply to call it Magic
