Producing Children Peter C. Kunze,Victoria Ford Smith,2025-04-15 Producing Children imagines the possibility indeed the inevitability of a creative relation between children as producers and consumers by revising the long established hierarchical relation between adults and children The chapters in this collection reveal that studying child produced culture complicates our received understandings of children s culture as culture by adults for children about children They also underscore children s literature as a cultural phenomenon that moves across and beyond

genres forms and media As a whole this collection reveals that attention to child produced culture invites dialogue and collaboration across fields and disciplines invested in the critical understanding of children as embodied beings and childhood as both a stage of development and discursive construct with social political economic and cultural dimensions and influence With the ongoing vibrancy of childhood studies as a multidisciplinary area of inquiry studies of child produced culture provide scholars with an exciting opportunity to complicate enrich and expand theorization of childhood creativity children s culture and even children themselves
