Question Card Game

If you could talk to everyone in the world, what would you say?

What do you wish you knew?

What do you want to do before you die?

Do you want your children (if you have any) to be like you?

What is your number one priority today?

What object would you save if your house was on fire?

What has been your favorite age so far and why?

Where would you like to wake up tomorrow?

What makes you feel really alive?

What are you thankful for this very moment?
