Aslans Call:

Aslan's Call Mark Eddy Smith,2005-01-01 I m told there is a lion who wants to meet with me I am told that he is fierce and unpredictable and very large I have known about him for most of my life and at times I ve believed I caught a glimpse of his shadow but I have yet to actually meet him face to face His name is Aslan and it s possible that you ve heard of him C S Lewis has created a wonderful place a place where anything can happen Even the stones can talk In Aslan s Call Mark Eddy Smith shows you how in this fanciful world you can discover the truest reality In the children who travel to Narnia you can find yourself In Aslan you can find Christ And in the place of Narnia you can find the very adventure for which God made you

Aslan's call Mark Eddy Smith,2005 C S Lewis has created a wonderful place a place where anything can happen Even the stones can talk Mark Eddy Smith shows us how in this fanciful world we discover the truest reality In the children who travel to Narnia we find ourselves In Asian we find Christ And in the place of Narnia we find the very adventure for which God made us

A Year with Aslan C. S. Lewis,2010-10-05 Lewis combines a novelist s insights into motives with a profound religious understanding New York Times Book Review In the tradition of A Year with C S Lewis get your daily dose of inspiration from this one of a kind devotional collecting 365 readings from the beloved Chronicles of Narnia C S Lewis channeled his profound spiritual understanding into The Lion the Witch and the Wardrobe Prince Caspian The Voyage of the Dawn Treader and the other books in his seminal fantasy series This enthralling anthology with lavish illustrations by Pauline Baynes is the perfect gift for fans of the beloved children s books and a peerless set of meditations for anyone looking to step through that secret door to their own world of devotion

Other Watchful Dragons Jonathan M. Parker,2026-01-08 Authors C S Lewis and J R R Tolkien have captured the imagination of millions of readers across languages and cultures with unforgettable stories enchanting the familiar and transforming the way we look at lions lampposts and rings They have also touched the way many see weightier matters of life moral brokenness and death As powerful as they are fantasy stories are primarily created for the imaginative delight of the author and the reader and they are good in and of themselves But are there secondary goods for stories like The Chronicles of Narnia One lesser known potential is that stories like these can powerfully communicate across cultures More importantly they can help people understand and appreciate the wonder and truth of the Christian worldview for the first time or with fresh insight Part of what got C S Lewis s attention as an atheist was George MacDonald s fantasy Phantastes Other Watchful Dragons shows some of the best ways narrative contributes to cross cultural apologetics through The Chronicles of Narnia But greater still the path there involves an exploration of the powers of narrative seen in renowned writers George MacDonald J R R Tolkien and C S Lewis as well as contemporary scholarship
