Assessing Learning A Cael Handbook For Faculty:

Assessing Learning Susan Simosko,1988 **Assessing Learning** Susan Simosko,1988 Expert Assessment of Experiential Learning Richard R. Reilly,1977 The individualized and often highly unique nature of experiential learning poses a number of problems for the faculty members and administrators charged with the assessment of that learning Standardized tests for example are usually inadequate or inappropriate Assessment must therefore be placed in the hands of an expert someone how has specialized knowledge and experience in a relevant discipline or field This Handbook is an attempt to familiarize those involved in assessment with some of the basic principles and practices in the application of expert judgment Though others may find this book useful it is primarily intended for faculty members administrators and consultants involved in assessing the experientially based learning of students who are seeking academic credit for that learning *Assessing Learning* Urban George Whitaker,1989 Assessing Prior Learning Joan Knapp,1977 *Resources in Education* ,1978
