## **Dick Hern:**

**The Major** Michael Tanner,1991-01-01      **Dick Hern** Peter Willett,2001-06-01 During his career as a British Classic racehorse trainer Dick Hern was responsible for several of the all time great Derby winners His horses include Troy Henbit Nashwin and the unforgettable Brigadier Gerard Dick Hern was one of the most influential and respected characters in the racing world of the 20th century and unique among trainers as a brilliant all round horseman But in 1984 a horrific hunting fall left him paralysed In 1990 his much publicised ejection from the Queen s stables in West Ilsley once again threatened his career but with his irrepressible courage he was determined to continue      **Q** Craig Brown,2024-10-01 With equal measures of wit and wisdom the author of 99 Glimpses of Princess Margaret draws a deeply original hilarious and telling portrait of the Queen herself She was the most famous person on earth she first appeared on the cover of Time magazine at the age of three When she died few people were old enough to recall a time when she was not alive Her likeness has been reproduced in photographs on stamps on the notes and coins of thirty different currencies more than any since Jesus It is probable that over the course of her ninety six years she was introduced to a greater number of different people than anyone else who has ever lived likely well over half a million Yet this most closely observed of all women rarely left any real impression on those she encountered beyond vague notions of her radiance and sense of duty A high proportion of those she met can remember what they said to her but not a word of what she said to them Up until now the curious tactic employed by biographers of the Queen has been to ignore what is interesting and to concentrate on what is not Craig Brown the author of 150 Glimpses of the Beatles and Hello Goodbye Hello rejects this formula bringing his kaleidoscopic approach to the most famous and most guarded woman on earth examining the Queen through a succession of interlocking prisms With Q this fantastically funny marvelously insightful journalist gives us an unforgettable portrait of the omnipresent elusive Queen Elizabeth II      *The Scots & The Turf* Alan Yuill Walker,2017-11-25 *The Scots The Turf* tells the story of the great contribution made to the world of Thoroughbred horse racing by the Scots and those of Scottish ancestry past and present culminating with the 2017 Grand National winner One For Arthur The influence has been across the board from jockeys to trainers and owners as well as many legendary horses Outstanding personalities include trainers Mark Johnston on the Flat and Alan King over jumps five time champion Flat jockey Willie Carson and the greatest of all jumping enthusiasts the late Queen Elizabeth The Queen Mother While they are long established names the 21st century has embraced a new roll of honour headed by One For Arthur s trainer Lucinda Russell Keith Dalgleish who has established new records for a Scottish based Flat trainer and Lucy Alexander a brilliant young jump jockey and many others Recognition of the part played by all those from north of the border is long overdue and *The Scots The Turf* sets the record straight with a fascinating account of those who have helped make horse racing into the fabulous spectacle it is today      **Shaken Not Stirred** Suzanne Kane Rodriguez,2023-10-04 An illuminating series of anecdotal stories concerning the adventurous life of a privileged woman who through a combination of

force of circumstance and fate experienced unbelievable professional and personal achievements Conversely she also suffered the real physical pain and personal loss rarely handed to people from her background Another motivation towards the recounting of her story is as an illustration of the terrible inequity of the US health system towards those of lesser means Primarily though her life story is an example that with work determination the right partner judgement and a little luck much that is lost can be regained and permanent happiness is always obtainable
