Charlie Chaplin:

Who Was Charlie Chaplin? Patricia Brennan Demuth, Who HQ, 2016-12-06 Who was the real Charlie Chaplin Kids will learn all about the comic genius who created The Little Tramp Charlie Chaplin sang on a London stage for the first time at the age of five Performing proved to be his salvation providing a way out of a life of hardship and poverty Success came early and made Chaplin one of the best loved people in the United States until the McCarthy witch hunts drove Chaplin from his adopted country This is a moving portrait of a multi talented man actor director writer even music composer and the complicated times he lived in **The Films of Charlie Chaplin** Gerald Doan McDonald, Michael Conway, Mark Ricci, 1965

Charlie Chaplin's Own Story Charlie Chaplin, 2015-02-21 I remain just one thing and one thing only and that is a clown It places me on a far higher plane than any politician Charlie Chaplin Only a select few actors become international stars in their time but none had as unique a career as Charlie Chaplin Chaplin was the first true film star and he managed to do so even when films were still silent He has been honored with too many awards to count and the fact that his name remains instantly recognizable nearly a century after his first film is a testament to his influence Even today Chaplin's films are arguably more recognizable than those of perhaps any other actor or director everyone is familiar with the famous Tramp costume and persona and even the casual film enthusiast has likely seen films such as City Lights 1931 and Modern Times 1936 Chaplin is known for the singular blend of pathos and humor evinced by his films and it is not uncommon for audiences to laugh and cry at alternate points of a Chaplin film a trait that continues to endear audiences even to this day For this reason in his review of Stephen Weissman's biography of Chaplin Martin Sieff noted It is doubtful any individual has ever given more entertainment pleasure and relief to so many human beings when they needed it most As Sieff's comment suggests Chaplin's career coincided with the two World Wars and the Great Depression but while Chaplin the actor was popular Chaplin the person became controversial in the final decades of his life In fact there is a wide discrepancy between the almost uniformly enthusiastic praise of Chaplin today and the subversive identity he cultivated toward the latter part of his career Although accusations of being a communist sympathizer and Chaplin's confrontation with the House Committee on Un American Activities have mostly become a footnote in the storied career of a man best remembered as an acting pioneer it forced Chaplin to spend the last 15 years of his career working as an artist in exile and the shifting viewpoints of Chaplin were instrumental in forcing people to evaluate the way in which they viewed celebrities as well as what it means to be entertained Indeed it is impossible to substantiate the belief that Chaplin's later films are poorer in quality than his earlier ones yet the public largely rejected his later directorial efforts In the end it must be acknowledged that more than any other figure who had come before him the public was aware of Chaplin's personal life in ways that were often upsetting and inconsistent with the persona effected through his films Due to the way Chaplin was vilified relatively little is known about the final chapter of Chaplin's life and one of the prevailing tensions concerning Chaplin is the way in which he is incredibly

famous on the one hand but also a particularly mysterious and even unknown figure on the other hand After Chaplin s body was stolen from his grave Kenneth Schuyler Lynn pointed out that the image of his empty gravesite came to symbolize his historic elusiveness as a person no less than as a performer **CHARLIE CHAPLIN** Kum.Veerabhadrapa,2012-05-25 Funny and Touching Classic Movies from Cinema s Comedy Master The Pack contains The Gold Rush Modern Times The Kid A King in New York **Chaplin** David Robinson,2014-02-27 David Robinson s definitive and monumental biography of Charlie Chaplin the greatest icon in the history of cinema who lived one of the most dramatic rags to riches stories ever told Chaplin s life was marked by extraordinary contrasts the child of London slums who became a multimillionaire the on screen clown who was a driven perfectionist behind the camera the adulated star who publicly fell from grace after personal and political scandal This engrossing and definitive work written with full access to Chaplin s archives tells the whole story of a brilliant complex man David Robinson is a celebrated film critic and historian who wrote for The Times and the Financial Times for several decades His many books include World Cinema Hollywood in the Twenties and Buster Keaton A marvellous book unlikely ever to be surpassed Spectator I cannot imagine how anyone could write a better book on the great complex subject movingly entertaining awesomely thorough and profoundly respectful Sunday Telegraph One of the great cinema books a labour of love and a splendid achievement Variety One of those addictive biographies in which you start by looking in the index for items that interest you and as dawn breaks you re reading the book from cover to cover Financial Times

winning an honorary Academy Award Everything is here from the glamor of his golden age to the murky scandals of the 1940s and eventual exile to Switzerland There are charming anecdotes along the way playing the violin in a New York hotel room to mask the sound of Stan Laurel frying pork chops and long Hollywood lunches with Mary Pickford and Douglas Fairbanks Jr This masterful brief biography offers fresh revelations about one of the most familiar faces of the last century and brings the Little Tramp vividly to life [Charlie Chaplin](#) Wes D.
