Art Of Getting Over:

The Art of Getting Over Stephen Powers, 2014-03-18 What started as simple street movement a way to assert individuality and pride has blossomed into much more Graffiti is everywhere From Sprite commercials to The Source magazine to Soho art galleries the elements and vernacular of the graffiti aesthetic are apparent in today's society The Art of Getting Over Graffiti at the Millennium examines graffiti's influence from its earliest days to its undeniable ubiquity now Written by insider Stephen Powers it includes a general history in depth interviews with both the progenitors of the form and current artists and full color illustrations of the most important works over the last 30 years Unlike other subcultures that have been corrupted by the media and the mainstream graffiti has maintained its sense of the underground and its clandestine feel The purity and integrity that have defined the graffiti writer's mission have never faltered The Art of Getting Over offers an unprecedented glimpse into this deeply affecting urban art form

The Art of Overcoming Tim Timberlake, 2023-05-16 Life is full of everyday setbacks In The Art of Overcoming you will learn how to process these moments and triumphantly move beyond them The Art of Overcoming explores how we deal with loss grief and hurt and challenges readers to keep what looks like endings from discouraging or derailing us The pain we experience is real but there's a difference between acknowledging it and giving into it Rather than seeking a fake hope that pretends loss doesn't exist or doesn't matter author and pastor Tim Timberlake encourages us to pursue hope rooted in God and gives this reminder don't quit The process of overcoming is not about understanding everything or living without pain but about finding healthy ways to process the scary strange and sometimes devastating circumstances we face The Art of Overcoming is divided into four parts using the imagery of a traditional funeral ceremony as a framework to process the death experiences we face regularly in this crazy journey called life A Matter of Life and Death explores five foundational perspectives about grief and loss The Processional encourages us to face head on the reality of our experiences The Eulogy helps us memorialize and honor what has been lost and how to process grief in a healthy way The Recessional is about closure as we discover life after death and move forward No matter what you've gone through or are in the middle of right now better days are ahead Let God heal your heart in His timing take time to grieve what needs to be grieved and then celebrate the new life God lays out before you
