

Rich Man, Poor Man

One day a postman came to my village.
The postman brought me a letter
from my son, Saul.

"Is your name Adam?"
the postman asked.
"Yes," I said. I have got
a letter for you."

A Poor Mans Poems:

John Clare: Poems of the Middle Period, 1822-1837 John Clare, 1996 Completing the influential Oxford edition of Clare's collected poems this volume presents the poems of the Northborough period of Clare's creativity As with other volumes in the edition many of the poems have never before been published and Clare's spelling punctuation grammar and vocabulary have all been carefully preserved This final volume also includes corrections to the texts variants and notes in previously published volumes in the series along with a cumulative glossary and cumulative indices of first lines and titles that will assist readers in their use of the edition as a whole Clare's poetry deals not only with his own countryside but also with its ceremonies and celebrations its customs and games its political economic and religious concerns its proverbs tales and songs indeed with all aspects of its popular culture The poems of the Northborough period are some of Clare's best work demonstrating a particularly concise vision of Clare's experience of Nature

The Poems of Lady Mary Wroth Josephine A. Roberts, 1992-09-01 Although her poems are little known today Lady Mary Wroth was one of the most accomplished women writers of the English Renaissance Her poems were circulated among many of the leading authors of her time including Ben Jonson who praised her work for its profound understanding of the nature of romantic love Lady Mary's sonnet cycle *Pamphilia to Amphilanthus* was the first English sequence to be written from a woman's perspective The Countesse of Montgomery's *Urania* her romance interspersed with poetry was one of the first works of prose fiction to be composed by an Englishwoman In this complete edition of Lady Mary Wroth's verse Josephine Roberts has brought together and annotated all 192 of the surviving poems many of which have never been published before As the eldest daughter of Sir Robert Sidney and Lady Barbara Gamage Lady Mary took great pride in the Sidney literary heritage During the years of her marriage she assumed the roles of both poet and patron an example set for her by her father and her more famous uncle Sir Philip Sidney She further followed the precedent of her uncle by choosing for her own work the artistic forms that he had favored the sonnet sequence pastoral romance and pastoral drama As a young woman Lady Mary belonged to Queen Anne's intimate circle but in the years following her husband's death she suffered a precipitous decline in social status She violated the social taboos of her age by becoming the mistress of her first cousin William Herbert earl of Pembroke and bearing him two illegitimate children Her artistic efforts aroused equal controversy when after the publication of her prose romance the *Urania* several prominent noblemen attacked her for portraying their private lives under the guise of fiction Despite these obstacles and the added burden of the unpaid debts that were the legacy of her disappointing marriage Lady Mary maintained an independent spirit and trusted in an ability to make her own decisions In her prose works she lashed out at the hypocrisies of life at court in her poetry she wrote of more personal concerns the treacherousness of emotion the eternal elusiveness of love Rising above well worn Elizabethan conceits the best of Lady Mary's poems reveal an ambivalence toward romance and a wise understanding of the vicissitudes of human emotion

The Making of Poetry Adam

Nicolson,2020-01-21 Brimming with poetry art and nature writing Wordsworth and Coleridge as you ve never seen them before June 1797 to September 1798 is the most famous year in English poetry Out of it came Samuel Taylor Coleridge s The Rime of the Ancient Mariner and Kubla Khan as well as his unmatched hymns to friendship and fatherhood and William Wordsworth s revolutionary songs in Lyrical Ballads along with Tintern Abbey Wordsworth s paean to the unity of soul and cosmos love and understanding In The Making of Poetry Adam Nicolson embeds himself in the reality of this unique moment exploring the idea that these poems came from this particular place and time and that only by experiencing the physical circumstances of the year in all weathers and all seasons at night and at dawn in sunlit reverie and moonlit walks can the genesis of the poetry start to be understood The poetry Wordsworth and Coleridge made was not from settled conclusions but from the adventure on which they embarked thinking of poetry as a challenge to all received ideas stripping away the dead matter looking to shed consciousness and so change the world What emerges is a portrait of these great figures seen not as literary monuments but as young men troubled ambitious dreaming of a vision of wholeness knowing they had greatness in them but still in urgent search of the paths toward it The artist Tom Hammick accompanied Nicolson for much of the year making woodcuts from the fallen timber in the park at Alfoxden where the Wordsworths lived Interspersed throughout the book his images bridge the centuries depicting lives at the source of our modern sensibility a psychic landscape of doubt and possibility full of beauty and thick with desire for a kind of connectedness that seems permanently at hand and yet always out of reach *A Catalogue of Heber's Collection of Early English Poetry* Richard Heber,John Payne Collier,1834 **Catalogue of the Library of Herschel V.
