

# YOUCAT Bible: Pope Francis's Preface

**missio**  
Today. Tomorrow. Together.

*To help schools' journey through *The Year of the Word: The God Who Speaks* we've taken excerpts from Papal texts concerning young people and scripture. The excerpt below comes from the preface to the YOUCAT Bible. YOUCAT stands for the faith of the Catholic Church: vividly explained, innovatively presented, officially confirmed. For more information and to purchase the Bible, visit [youcat.org](http://youcat.org).*

**My dear young friends:**

**if you could see my Bible, you would not be particularly impressed. What—that's the Pope's Bible? Such an old, worn-out book!**

**You could buy me a new one for \$1,000, but I would not want it. I love my old Bible, which has accompanied me half my life. It has been with me in my times of joy and times of tears. It is my most precious treasure. I live out of it, and I wouldn't give anything in the world for it.**

**I really like this new Youth Bible. It's so colourful, so rich in testimonies: testimonies of the saints, testimonies of young people. It is so inviting that when you start to read at the beginning, you can't stop until the last page.**

**And then ...? And then it disappears on a shelf, collecting dust. Your children find it one day and bring it to the flea market.**

**It must not come to that.**

**I'll tell you something: There are more persecuted Christians in the world today than in the early days of the Church. And why are they persecuted? They are persecuted because they wear a cross and bear witness to Jesus. They are convicted because they own a Bible. The Bible is therefore a highly dangerous book—so dangerous that you are treated in some countries as if you were hiding hand grenades in your closet.**

**It was a non-Christian, Mahatma Gandhi, who once said: "You Christians look after a document containing enough dynamite to blow all civilization to pieces, turn the world upside down, and bring peace to a battle-torn planet. But you treat it as though it is nothing more than a piece of literature."**

**So what do you have in your hands? A piece of literature? Some nice old stories? Then you would have to say to the many Christians who go to prison or are tortured because they own a Bible: "How foolish you are; it's just a piece of literature!"**

**No. By the word of God has Light come into the world, and it will never go out. In *Evangelii Gaudium* (175) I said, "We do not blindly seek God, or wait for him to speak to us first, for 'God has already spoken, and there is nothing further that we need to know, which has not been revealed to us.' Let us receive the sublime treasure of the revealed word."**

**So you have something divine in your hands: a book like fire! A book through which God speaks. So notice: The Bible is not meant to be placed on a shelf, but to be in your hands, to read often—every day, both on**

### **A Preface To Pope Prefaces Introduction**

In today's digital age, the availability of A Preface To Pope Prefaces books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of A Preface To Pope Prefaces books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of A Preface To Pope Prefaces books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing A Preface To Pope Prefaces versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, A Preface To Pope Prefaces books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing A Preface To Pope Prefaces books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for A Preface To Pope Prefaces books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a nonprofit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer

academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, A Preface To Pope Prefaces books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of A Preface To Pope Prefaces books and manuals for download and embark on your journey of knowledge?
