A Quest For Ultimate Truth:

A Quest for Ultimate Truth Joseph R. Barbatti, 1999-04-01 **Ultimate Truth** D. D. Peter C. Rogers, D. D. Ph. D. Peter C. Rogers, 2009-05 ULTIMATE TRUTH is the first volume of the TRUTH series It is a riveting thought provoking masterpiece of theories philosophy and great spiritual insight about our Divine nature and Celestial origins It delves heavily into the esoteric and occult teachings that many are often unaware of or too afraid to accept In this book author Peter C Rogers D D Ph D takes on many of the topics that are taboo or often hard to understand and simplifies them for the common lay person This book will prompt you to ponder and even question a lot of the things you hold to be true It will shake your foundation to the core causing you to wonder why you ve never been taught these things in school in church or in society By the same token this book will be met with public ridicule controversy and resistance by those who are still unwilling to accept the Ultimate Truth about our Being As this book will point out we are living in an age where truth is our only salvation and the deception of the elite will no longer be tolerated by the masses Our planetary consciousness is stirring and we as a race of Cosmic Spiritual Beings are heeding the call of the Divine in our spirits and in our genetic memory code This book is yet another piece of the awakening process for all those who look therein It is a synthesis of various truths fundamental spiritual beliefs powerful incite and thought provoking stimuli The only thing that now stands between you and a new way of life is You for a closed mind is a barrier against change May your life be forever altered by the renewing of your mind and the liberation of your Spirit **The Ark of Truth** Nicholas Whiting, 2010-07-05 World renowned archeologist Stone Wallace gets a peculiar phone call that causes him to drop everything and head to the Yucatan Peninsula Events are now in play to bring forth a truth that has been hidden for thousands of years Time is running out as the eclipse of 2012 approaches The truth is waiting that will unveil the clouds from mankind s eyes **The Felt Meanings of the World** Quentin Smith, 1986 In a critical dialogue with the metaphysical tradition from Plato to Hegel to contemporary schools of thought the author convincingly argues that traditional rationalist metaphysics has failed to accomplish its goal of demonstrating the existence of a divine cause and moral purpose of the world To replace the defective rationalist metaphysics the author builds a new metaphysics on the idea that moods and affects make manifest the world s felt meanings he argues that each feature of the world is a felt meaning in the sense that each feature is a source of a feeling response if and when it appears The author asserts that we must synthesize our two ways of knowing poetic evocations and exact analyses in order to decide which mood or affect is the appropriate appreciation of any given feature of the world Smith gives evocative and exact explications of such features as the world s temporality appearance and mind independency as these features appear in the appropriate recitations **EVERYTHINK** Samba Lékouye, 2017-06-30 EVERYTHINK a philosophical essay about all the aspects of life It is about provoking questions rather than to feed you answers It is meant to make you think For yourself by yourself This is not a lesson Have you ever seen life in high deathfinition Look at the cover what do you see This is not your usual pirate flag

Two question marks facing each other two exclamation points crossing each other forming a skull Self reflection and self determination limited by time limited by death This is wisdom For freedom But you can only see it if you EVERYTHINK
