[Handbook of Local Government Fiscal Health](#)

Helisse Levine,Jonathan B. Justice,Eric Anthony Scorsone,2012 Fiscal health of local governments and municipalities has remained an important issue since the crises of the 1970s in places like New York Philadelphia and Cleveland More recently the bankruptcy of Orange County California raised the possibility of a different type of financial failure than earlier ones The beginning of the 21st century has witnessed two major economic bubbles including the dotcom and housing bubbles These economic cycles combined with increasing health care pension and other structural costs continue to challenge the fiscal viability of many jurisdictions In particular the economic and financial crisis of 2007 2008 is likely to result in potentially serious fiscal challenges for local jurisdictions

Managing Local Government Services Carl W. Stenberg,Susan Lipman Austin,2007 *Managing Local Government Services* 3rd ed is a comprehensive text on the subject of local government services relevant to local governments of all sizes This edition is refocused and updated to include the demographic economic technology and cultural trends that affect the management of service delivery New chapters discuss the shift from government to governance alternative methods of service delivery community development and the five management practices that are fast becoming the standard for professional local government management Each chapter lays out the manager s responsibilities in each service area and provides effective policies practices and procedures Short case examples give you a practical look at the goals challenges and solutions in the manager s world
