A Search For The Spiritual Exploring Real Christianity:

A Search for the Spiritual James Emery White, 1998-10-01 This is the book to put into the hands of seekers With disarming candor and no churchspeak White explores the basics of the Christian faith *A Thematic Access-Oriented Bibliography of Jesus's Resurrection* Michael J. Alter, 2019-12-31 The keystone of Christianity is Jesus's physical bodily resurrection Present day scholars can be significantly challenged as they forage through voluminous documents on the resurrection of Jesus The literature measures well over seven thousand sources in English language books alone This makes finding specific sources that are most relevant for specific scholarly purposes an arduous task Even when a specific book is relevant finding the parts of the book that are most relevant to the resurrection rather than other topics often requires additional effort A Thematic Access Oriented Bibliography of Jesus's Resurrection addresses these challenges in several ways First the bibliography organizes more than seven thousand English sources into twelve main categories and then thirty four subcategories which are designed to help you find the most relevant literature quickly and efficiently Embedded are pro and con arguments which support efficient access through brief annotations and then annotate the diversity and complexity of the field of religion by including sources that represent a diverse range of views theistic e g Christian Jewish Muslim etc agnostic and nontheistic The objective of this bibliography is to provide convenient access to relevant sources from a variety of perspectives allowing you to browse or find the one source accurately and with ease **Embracing the Mysterious God** James Emery White, 2003 One of Christianity Today's 2003 Books of the Year We give ourselves to God and then struggle profoundly with the relationship We are drawn in and then want to flee in fear We move from faith to doubt trust to confusion intimacy to a feeling of abandonment Coming to faith is like falling in love It can be a head over heels rush to the altar or a slow acceptance that slips into a heartfelt embrace Either way eventually romance crashes headlong into reality Often we make things worse either by feeling guilty about our struggles with doubt or by trying to dismiss them as unimportant or insignificant We may even become resentful that God does not simply step in to clear up our confusion When we find ourselves in any of these predicaments the only way out is to face our uncertainties about God deliberately and directly In *Embracing the Mysterious God* James Emery White explores these struggles we all face struggles of heart soul mind and strength And struggles to love our neighbors as ourselves Here you will find your tough questions about God addressed Better still you will find the way to renewed faith *The Anchor Course* Tom Goodman, 2007-03 When Bono explained his Christian faith to a reporter the frontman for the band U2 said I'm the sort of character who's got to have an anchor I want to be around immovable objects If you're ready to anchor your life to something solid this book will help Through the pages of *The Anchor Course* spiritual seekers can discover the meaning of Christianity and believers can develop their understanding of the faith *Building a Contagious Church* Mark Mittelberg, Bill Hybels, 2000 Mittelberg presents a proven process for raising the value of evangelism in your heart and in your church He spells out strategies for training all of a church's

members to naturally communicate their faith and offers ideas for initiating outreach ministries and events Includes inspiring stories of lives and churches that have been changed as a result of these practical biblical approaches **Wrestling with God** James Emery White,2008-05-28 James Emery White explores the doubts confusion and uncertainties about God that we all face He tackles deliberately and directly our toughest questions And better still he leads the way to renewed faith

Running with the Horses Larry Taylor, Ph.D.,2013-10 We all have great intentions when it comes to raising our children We want them to succeed and above all to surrender their lives to the lordship of Christ As a father of four boys and a twenty five year veteran of school administration I understand these goals I also understand the busyness of daily life how days merge into weeks as hurried lifestyles spin out of control leaving us wondering how our toddlers became teenagers This book introduces you to a simple biblically based plan for raising servant leaders for Christ Whether your child is eighteen months or eighteen years old this book will guide you through the process of preparation for the race that awaits him in this world We will walk through specific and practical things you can do to build a family plan Being deliberate and focusing on creating depth in your child s faith is the first step to preparing him or her to run with the horses If you have run with footmen and they have tired you out then how can you compete with horses If you fall down in a land of peace how will you do in the thicket of the Jordan Jeremiah 12 5 [Into the Future](#) Elmer L. Towns,Warren Bird,2000 Examines fourteen trends and shows how pacesetting leaders have responded to them outlining solid action plans for your church s twenty first century readiness [You Can Experience an Authentic Life](#) James Emery White,2000 You Can Experience an Authentic Life is the third in a series devoted to examining Christianity in light of contemporary questions asked by both Christians and seekers Revealing the extraordinary power of the Ten Commandments to bring about meaningful productive lives White challenges seekers to move beyond the search for spiritual meaning and purpose to the next level of learning what it means to live an authentic life in Christ **Michigan Christian Advocate** ,1895 *The Christian Science Journal* ,1883 **The Cumulative Book Index** ,1998 A world list of books in the English language **The Divine Code** Martin D. Caldwell/ Luiz Santos,2025-03-04 The Divine Code Aeons and Esoteric Christianity Martin D Caldwell There exists a truth older than time itself deeper than any visible doctrine A living truth buried beneath layers of dogma silenced by decrees and forgotten by collective consciousness Yet it pulses silently at the core of the human soul waiting to be remembered the Aeons Between the vastness of the Pleroma and the illusory veil of matter lies a living hierarchy of cosmic intelligences luminous forces that not only uphold the invisible order of the universe but also preserve the echoes of primordial wisdom Each Aeon an emanation of the supreme source carries a fragment of divine consciousness weaving a hidden bridge between the human and the transcendent They are the guardians of Gnosis the lost keys to spiritual liberation What doctrines suppressed this path reveals The veil separating the soul from its origin begins to tear exposing the forgotten memory of who you truly are not a separated being but a spark of the Pleroma a living reflection of the primordial light The journey home begins with
