Finding Inner Peace During Troubled Times William Moss, 2009-12 Peace is perhaps the most elusive miraculous phenomenon in the human experience From the kindergartners arguing on the playground to the world powers storing up technologically advanced weapons we clearly struggle to coexist peacefully with each other Yet for all our efforts to generate peace between people we often overlook the importance of finding peace within ourselves Though we long for this inner peace our world full of war famine bank collapses pandemics and day to day struggles has discouraged us from even trying to find it In his new book Finding Inner Peace During Troubled Times author William Moss shows readers that inner peace is indeed attainable in the person and presence of Jesus As a high powered businessman and a key political decision maker Moss has faced his share of daily distractions For over a decade he has studied and practiced the lost art of Christian meditation I believe God wants us to find peace and will show us the way if we are willing to accept it But for many the peace of God is elusive They are not sure how to accept it or where to begin in their pursuit of it says Moss There are many difficulties distractions and hardships that stand in the way of our inner peace Sometimes these are due to our circumstances Other times it is our sin or the attitudes of our hearts that stand between us and the inner peace we crave Through prayer and meditation we can transcend all the distractions and difficulties of our days if we live by the Spirit and put God's love and presence first Many believers are wary of any form of meditation because of its association with Eastern religions These Christians might be surprised to learn that meditation was regarded as a key spiritual discipline throughout church history Eastern meditation focuses on emptying the mind completely Christians find inner peace by filling their minds with scripture and with the presence of the Holy Spirit Another fundamental difference is the motivation behind the meditation Peace like life is a gift from God that is for His glory and it is meant to be shared For those who are in Christ meditation is not about practicing the kind of self focus that precludes people from being involved in the solutions of the many problems that confront them It is communion with God through the Holy Spirit It is letting go of anger worry and fear and taking on the loving serving character of Christ instead Finding Inner Peace During Troubled Times uses key scriptures to demonstrate God's gift of peace to every believer This slender book encourages readers to be intentional about pursuing that peace even including a simple step by step example of Christian meditation With the constant stream of media noise commitments conflicts and other distractions you will not likely find times of quiet stillness and spiritual reflection unless you plan them unless you pursue meditation as a discipline states Moss The key to inner peace and a fulfilled life is one that is grounded in Christian mediation
