A Second Chance:

A Second Chance Missy Stephens, 2017-02-14 A book about second chances at love *Fighting for a Second Chance* Nikki Ash, 2017-03-03 I am an eighteen year old high school graduate who has just experienced my first well everything I would give anything to hold on to Cooper but we made a decision After thirty hours of falling in lust after tonight we are parting ways I am starting college and I can't be distracted Besides he has his own life to get back to The moment I saw her I knew she was the one but what my heart wants it doesn't get I know how life works I have been fighting most of my life My dad was a fighter and so was his dad I watched my mom cheat on him and in return he destroyed her I will never do that to a woman I get thirty hours with Liz and then we are both walking away At the end of the day all we will have is the memories we have created here in Miami Five years later Liz runs into Cooper only he has no idea that memories weren't the only thing they created in Miami He broke her heart once the day he left and her heart is now guarded Will he succeed in winning her heart back a second time The only thing he knows for sure is that he is fighting for a second chance and this time he will not let her go A Second Chance Andre Madrid , sometimes a small error can have so much consequences A Second Chance at Love Laura MacDonald, 2000 **A Second Chance. The Corner of Heaven** Gabriel O Buiama, 2021-04-09 No matter how hard I try a few lost thoughts keep coming to the surface I always thought people deserved a second chance To be seen from another perspective To be analysed in more detail If until some time ago I did not believe that evil can contain a particle of good in it now I must believe it For otherwise the meaning of many things would be lost Yes it has to do with me I saw myself as a good man A being who cares fragile loving That's been happening for years Maybe to some extent I was But something has changed I became rigid More wicked Colder More careless More on the surface but also inside I froze Now I see more harm The evil around the danger the hazard And I can't stop him because I understand what that would mean And yet I would like to So that some people can see others as what they are beyond the cloud of dust that surrounds them Beyond ice cubes Beyond shields Beyond To be forgiven The power to forgive one's own mistakes the power to start over We have the ability to forgive others to give countless chances to receive people back but not to forgive ourselves We wipe with a sponge until it comes to us And we who forgives us To hope That we will be seen That one day we will be seen That one day we will dare to look in the mirror and notice the beauty We will notice that those scars those wounds the remaining marks represent our beauty Every sign represents something Kindness patience loyalty innocence joy love Are there part of us Few moments past I see myself being again on that ledge Watching the river trying to measure with my own eyes how deep it could be I do not see the bottom not even near Could be fifteen twenty or even fifty feet down deep Who knows I could throw a tiny stone inside the water That will give me at least an idea But would I care It would matter In just a couple of minutes I am gone Is nobody around Just an empty pathway Everyone is home or who knows where At school at work at cinema Or maybe in another corner of this world an another me Trying do find somewhere deep inside the strength to jump **The**

Baran, 2003-12-01 A second chance is a rarity in this world Opportunities present themselves and are acted upon and there's seldom a chance to rectify a wrong especially a big one If only we could start over go back in time amend a previous misjudgment If we are ever fortunate enough to get another circumstance to make things right it's extremely important that the correct decisions be made the right action be taken One has to be careful that when life offers a reprieve one does not repeat the failure But sometimes too much caution can bring unwelcome results Korban and Lou Ellen both middle age were starting over Each was recently divorced and extremely bitter about a previous marriage Each was determined to make it work this time What they didn't know when they moved into their house in bucolic Marley Township was that they would be responsible for something even more important than a second union Little did they know how important their actions would be to the outcome of something greater than they could have imagined **One More Chance** Roxy Sinclair, I'll get back what we once had With or without my legs We went to the same school People thought we were related since we were always together But then we went camping and it changed everything She kissed me I kissed her back I knew we had feelings for each other But she said it was a mistake We grew apart after going to college Now I'm stuck in this hospital bed I was in a bad crash that cost me my legs and my fianc But she's the doctor that's treating me I never stopped loving her I know I'll get her back Even if it's in a wheelchair **One More Chance** is book 3 of the **One More Series** It is a second chance romance novel with NO cheating NO cliffhangers and a guaranteed happy ending **The Second Chance** Joseph R.
