Made-Over Dishes S. T. Rorer, 2019-11-29 In *Made Over Dishes* S T Rorer ingeniously transforms traditional recipes into contemporary culinary delights offering readers a treasure trove of practical and innovative cooking ideas The book's literary style combines engaging prose with accessible instructions appealing to both novice cooks and seasoned chefs seeking to revamp their meal rotations Rorer's work reflects a broader movement in 19th century American culinary literature which aimed to democratize home cooking by highlighting the importance of frugality and creativity in the kitchen The recipes laden with nostalgia yet invigorated for modern tastes encapsulate Rorer's belief that good cooking should be both economical and easily attainable S T Rorer was a pioneer in the field of American cooking serving as a prominent culinary figure in the late 19th century Influenced by the burgeoning social ideals of her time she aimed to empower homemakers to embrace culinary innovation without sacrificing the comforts of tradition Her thoughtful and methodical approach to recipe creation showcases her extensive knowledge garnered through years of experience in both domestic and public cooking spaces Rorer's commitment to improving the everyday cooking experience is evident in every page of this seminal work For readers in search of a cookbook that bridges the gap between past and present *Made Over Dishes* is a must have Rorer's insightful techniques and practical advice not only resonate within the historical context of American cooking but also invite contemporary cooks to engage with their culinary adventures This book inspires creativity encourages resourcefulness and proves that even the most seasoned cooks can find joy in reimagining their favorite dishes In this enriched edition we have carefully created added value for your reading experience A succinct Introduction situates the work's timeless appeal and themes The Synopsis outlines the central plot highlighting key developments without spoiling critical twists A detailed Historical Context immerses you in the era's events and influences that shaped the writing A thorough Analysis dissects symbols motifs and character arcs to unearth underlying meanings Reflection questions prompt you to engage personally with the work's messages connecting them to modern life Hand picked Memorable Quotes shine a spotlight on moments of literary brilliance Interactive footnotes clarify unusual references historical allusions and archaic phrases for an effortless more informed read

Globalising Housework Laura Humphreys, 2021-04-26 This book shows how international influences profoundly shaped the English home of Victorian and Edwardian London homes which in turn influenced Britain's and Britons place on the world stage The period between 1850 and 1914 was one of fundamental global change when London homes were subject to new expanding influences that shaped how residents cleaned ate and cared for

family It was also the golden age of domesticity when the making and maintaining of home expressed people's experience of society class race and politics Focusing on the everyday toil of housework the chapters in this volume show the English home as profoundly global conglomeration of people technology and things It examines a broad spectrum of sources from patents to ice cream makers and explores domestic histories through original readings and critiques of printed sources material culture and visual ephemera

Fish and Chips, and the British Working Class, 1870-1940 John K. Walton,1994-12-01 Unlike other institutions of central importance to working class life the fish and chip trade has not yet been rescued from what the author of this book regards as the massive condescension of posterity In attempting to begin this process he traces the origins of what was by 1914 an important national industry setting the economic social and political context of the trade charting its spread and analyzing its sources and methods of supply The book explores themes like recruitment patterns of decentralized provincial trades methods of working the role of women in the food industry of the period and the aim and effectiveness of trade organizations It also provides a survey of the effect of convenient cheap ready cooked food on working class diet health lifestyle economy and politics

Apples and Orchards since the Eighteenth Century Joanna Crosby,2023-11-16 Showing how the history of the apple goes far beyond the orchard and into the social cultural and technological developments of Britain and the USA this book takes an interdisciplinary approach to reveal the importance of the apple as a symbol of both tradition and innovation From the 18th century in Britain technology innovation in fruit production and orchard management resulted in new varieties of apples being cultivated and consumed while the orchard became a representation of stability In America orchards were contested spaces as planting seedling apple trees allowed settlers to lay a claim to land In this book Joanna Crosby explores how apples and orchards have reflected the social economic and cultural landscape of their times From the association between English apples and English virtues of plain speaking hard work and resultant high quality produce to practices of wassailing highlighting the effects of urbanisation and the decline of country ways and customs Apples and Orchards from the Eighteenth Century shows how this everyday fruit provides rich insights into a time of significant social change
