*Archbishop Oscar Romero : a shepherd's diary*, 1993      [Archbishop Oscar Romero](#) Oscar Arnulfo Romero, 1993 More than ten years after an assassin's bullet found its mark Archbishop Romero's message of concern for the poor continues to reverberate throughout the world and throughout the Church This translation brings to the English speaking world the authentic voice of the man already acclaimed by many as St Romero of the Americas      **Archbishop Oscar Romero** Óscar Arnulfo Romero, 1993      **A Shepherd's Diary** Óscar Arnulfo Romero, 1986      *On Sheep* Axel Lindén, 2018-09-20 Why do we keep sheep Alex Lindén ruminates as he watches his sheep ruminating Naive and inexperienced he has ditched his doctoral studies in order to move to a fully working farm in the country with his family where he is tasked with the responsibility of caring for a herd of sheep Lindén records his new life in his diary as he tries to manage life on the farm the ever escaping sheep and the trials and tribulations that come with being a shepherd shearing lambing and confronting the slaughterhouse As time passes and he gradually settles into the rhythm of shepherding his naivete fades away and is replaced with stark realisations about what is now his everyday life He finds himself applying his experiences of animal husbandry to consider our place as individuals and as a collective organism in the universe Is he really the one caring for the sheep or are they the ones keeping him Lindén finds both companionship in his flock and a sound if complex moral framework for examining the lives we lead The result is a sensitive and entertaining meditation on the small wonders in our world      **Alexander Robey Shepherd** John P. Richardson, 2016-10-15 With Alexander Robey Shepherd John P Richardson gives us the first full length biography of his subject who as Washington D C's public works czar 1871-74 built the infrastructure of the nation's capital in a few frenetic years after the Civil War The story of Shepherd is also the story of his hometown after that cataclysm which left the city with churned up streets stripped of its trees and exhausted An intrepid businessman Shepherd became president of Washington's lower house of delegates at twenty seven Garrulous and politically astute he used every lever to persuade Congress to realize Peter L. Enfant's vision for the capital His tenure produced paved and graded streets sewer systems trees and gaslights and transformed the fetid Washington Canal into one of the city's most stately avenues After bankrupting the city a chastened Shepherd left in 1880 to develop silver mines in western Mexico where he lived out his remaining twenty two years In Washington Shepherd worked at the confluence of race party region and urban development in a microcosm of the United States Determined to succeed at all costs he helped force Congress to accept its responsibility for maintenance of its stepchild the nation's capital city      **Shepherd's Diary of Awesomeness 2020** Awesome Diary Publishing Company, 2019-12-25 Give this unique and inspiring full year 2020 diary journal gift to a friend or family member named Shepherd Add an explosion of color to a boy's Birthday Christmas or New Year Perfect for planning and keeping track of special occasions and writing daily thoughts and inspirations Can I sign this diary Yes there is a handy gift message area on the first page Click our author name below the title to see more names of people you could gift this diary to About the diary
