Answer To Job:

Answer to Job C.G. Jung,2013-09-13 Of all the books of the Bible few have had more resonance for modern readers than the Book of Job For a world that has witnessed great horrors Job s cries of despair and incomprehension are all too recognizable The visionary psychotherapist Carl Gustav Jung understood this and responded with this remarkable book in which he set himself face to face with the unvarnished spectacle of divine savagery and ruthlessness Jung perceived in the hidden recesses of the human psyche the cause of a crisis that plagues modern humanity and leaves the individual like Job isolated and bewildered in the face of impenetrable fortune By correlating the transcendental with the unconscious Jung writing not as a biblical scholar but as a layman and physician who has been privileged to see deeply into the psychic life of many people offers a way for every reader to come to terms with the divine darkness which confronts each individual
