Antiques Price Guide:

Schroeder's Antiques Price Guide Bob Huxford, Sharon Huxford, 1996 Antique dealers and collectors are quite aware that bargains are getting harder and harder to come by each and every day Schroeder's Antiques Price Guide is still a real bargain at 12.95 Collectors, dealers, and our customers continue to ask how we can produce this huge 612 page book each year for such a low price. It's simple, we do it by numbers. It's no secret with publishing that the more you print, the less expensive each book is. So thanks to all our loyal customers who continue to buy our #1 bestselling title, we are able to keep the retail price low without sacrificing one bit of quality. That is why you get the best for less. In August 1999, we will begin shipping the 18th edition of America's top antiques price guide. Once again, we have included over 50,000 listings, each one from all new sources and carefully checked by an authority on each particular subject. These 600 expert advisors make sure only the best and most accurate information remains. No one person could possibly be an authority on the over 600 categories that fill this reference, but Bob and Sharon Huxford and their highly respected team of advisors work year-round to make this the most respected up-to-date guide in the field of antiques and collectibles. Hundreds of sharp original photographs illustrate not only the rare and unusual but also the common collectibles, not postage stamp photographs but large close-up shots that show important details clearly. Each subject is presented with history and other background information. Our editors keep abreast of newly developing trends, often adding several new categories a year. If it merits the interest of today's collector, you'll find it in Schroeder's. You can feel confident that the information we publish is up to the minute and accurate. Without a doubt, you'll find Schroeder's Antiques Price Guide the one to buy for factual information, quality, and the lowest retail price.
