Ah King:

1&2 Kings Curtis Mitch, Scott Hahn, 2017-10-10 This volume in the popular Ignatius Catholic Study Bible series leads readers through a penetrating study of the First and Second Books of Kings using the biblical text itself and the Church's own guidelines for understanding the Bible. Ample notes accompany each page providing fresh insights by renowned Bible teachers Scott Hahn and Curtis Mitch as well as time-tested interpretations from the Fathers of the Church. These helpful study notes provide rich historical, cultural, geographical, and theological information pertinent to the Old Testament book information that bridges the distance between the biblical world and our own. The Ignatius Catholic Study Bible also includes Topical Essays, Word Studies, and Charts. The Topical Essays explore the major themes of 1 & 2 Kings, often relating them to the teachings of the Church. The Word Studies explain the background of important biblical terms, while the Charts summarize crucial biblical information at a glance.

Sisters in Faith Holy Bible, KJV Thomas Nelson, 2012-12-31 The Sisters in Faith Holy Bible is a sister-to-sister guide through the Word of God. It demonstrates how His Word is active and will impact every interaction of life in a practical way for the African American woman. Where can a woman go to find help with life's struggles? Executive editors Michele Clark Jenkins and Stephanie Perry Moore believe the answers to life's problems can be found in the Bible. The Sisters in Faith Holy Bible seeks to highlight where the Bible speaks to the five major areas of life: God, Family, Others, Self, and Career. Additional contributors include recording artist Joann Rosario, Condrey novelists Kim Cash, Tate, Vanessa Davis, Griggs, and other scholars and artists committed to encouraging and empowering African American women with God's truth. Features include Arise devotionals that teach how to apply the Bible, Quest and Discovery notes that use scripture to answer common questions about life and faith, She Speaks creative articles written from the perspective of women in the Bible, Authorized King James Version text, Center column References, Concordance, Part of the Signature Series line of Thomas Nelson Bibles. The King James Version: The most successful Bible translation in history with billions of copies published.

A Lovely Failure (Book 3 of "Visions of Jupiter") Tilly Jupiter, 2019-05-09 Banned to a remote outlying planet thought devoid of anything useful, Charles finds an agreeable paradise run by women. He isn't exactly motivated to carry out his mission to exploit the planet. When the Home World sends a colleague to check on him that threatens everything, including the planet itself, he needs to warn the Queen. Excerpt: Charles woke to a gorgeous morning. His lovely Rakell lay stretched out beside him, her coppery body naked. Lazily, he stroked the pale green line that ran down the center of her back until she woke. She raised her head.

and smiled at him and he knew she was waiting for his signal before reaching for the button to alert Andy He stretched languidly and considered whether he would make love to her now or after breakfast Decisions decisions he thought contentedly The delightful choices the day offered competed in his sleepy brain Andy would have a delicious breakfast ready by the time he got up and showered and Rakell wasn't going anywhere With a sigh he opted to have his breakfast first this morning When he walked into the garden Andy promptly served a sumptuous breakfast of fruit and juice As he ate he lounged in his comfortable chair and took in the lush scenery that surrounded him His domain It belonged to the Queen of course everything did but was his to enjoy and use This entire part of the planet was a garden calling the space around him a garden was a conceit of his It was also his delight Everyone took pains to see that it was always precisely what he wanted Although most plant life seemed to flourish on their own Charles could help but be amazed at the way his gardener Amos arranged a variety of colorful plants and stones to create a perfect ambiance for relaxation Amos put the best gardeners on Charles's home planet to shame In subtle ways he changed the view daily somehow always managing to create the perfect atmosphere the one that captured Charles's mood exactly Captures my mood or influences my moods Charles thought absently However it worked there was a rapport between the two that enhanced his breakfast and set the tone for the day He sighed with delight as he watched Rakell put a succulent piece of fruit into her mouth He noted that when she bit into it the juice ran down her fingers and he reached over to take her hand and lick the fingers You have some official business this morning she said in his language her voice delighting him with the odd spins it gave to rather ordinary words Ah King will be here soon Business Official business This was unusual You know I am always happy to see Ah King but won't the business matters keep he asked surprised and mildly irritated The news was confusing and threw his entire schedule off Does it have to be this morning Even if it is something urgent next week should do fine Her fingers slipped a luscious slice of something that reminded him of mango into his mouth He said it has to do with the next ship she said looking tired He knew that speaking his crude language was a strain for her she used it rarely only when she seemed to be struck by some sudden and strange desire to practice He wanted to ask her more but noted that her lovely orange pupils had begun to glow It had taken him some time but ultimately he had learned to read a few of the rather complex Denrien body language signals They were an important part of their communications and he had seen this one often enough to know it meant that she knew no more about the subject and wasn't the least interested in learning more Further information would have to come from Ah King
