Air Cavalry:

1st Air Cavalry Division ,1995 **Air Cav** J.D. Coleman,2011-06-08 Air Cav History of the 1st Cavalry Division in Vietnam 1965 1969 is the story of the small close world of fighting men in action told in their own words and supplemented with vivid photographs of the First Cavalry Division s experience in the war and a history of the division This volume can be many things to many people a book of memories a souvenir a pictorial essay on airmobility or simply a story of gallant men at war It can be many things but one thing it is not nor does it pretend to be a complete history of the 1st Air Cavalry Division in Vietnam The task and burden of history must lie with the objectivity of future generations far removed from current pressures and restraints It is true of course that much research for this book has been done from available official records the ultimate source of written history But even more has been drawn from the vivid recollections of the Cavalrymen who fought tasted the brassy bile of fear shared the fierce exultation of victory or were drenched in the dark despair of death This volume contains the memoirs of a fighting team the FIRST TEAM It is a memory of combat no doubt it is imperfect as all memory is but nonetheless it is real for those who were there for those who can fill in the inevitable gaps **War Air Cavalry Style** LTC USA Bert Chole,2019-10-01 Lieutenant Colonel LTC John B Stockton and Staff Sergeant SSG Bert Chole reported to Fort Benning on two separate missions unknown to each other but whose destinies would ultimately lead to the former taking the 1st Squadron 9th Air Cavalry to Vietnam and the later to bring the Squadron back from Vietnam This is story about the 1st Squadron 9th Air Cavalry leading up to its deployment to Vietnam and the five years nine months and nine days of service in Vietnam *Winged Sabers* Lawrence H. Johnson, III,2000-11-20 A comprehensive multi faceted volume on the men the machines and the missions that shaped the Air Cavalry Troops who served in Vietnam Divisional Armored and Air Cavalry Units United States. Department of the Army,1965 *Divisional Armored and Air Cavalry Units* ,1965 Heroes Mike Larson,2008-09 Even today my thoughts of Vietnam are positive I have incredibly fond memories of spending one year in that theater with some incredible people My feelings about the Vietnam War mesh exactly with what Michael Norman wrote in his book *These Good Men Friendships Forged From War* even though Norman s heroes served in the U S Marine Corps and mine served in the First Air Cav In recalling his tour in Vietnam Norman wrote I did not pick these men They were delivered by fate and the U S Marine Corps But I know them in a way I know no other men I have never since given anyone such trust They were willing to guard something more precious than my life They would have carried my reputation the memory of me It was part of the bargain we all made the reason we were so willing to die for one another

The First Air Cavalry Division, Vietnam Edward Hymoff,1967 **Introduction to Air Cavalry Operations** ,1991

1st Air Cavalry in Vietnam Simon Dunstan,2004 On 1 July 1965 the 1st Cavalry Division Airmobile was officially activated and was ordered to Vietnam beginning 28 July 1965 In a matter of three and half weeks the newly formed division with 16 000 men and 434 helicopters Chinooks CH 47s Flying Cranes CH 54s Mohawks OV 1s UH 1s and OH 13s was

prepared to enter combat Within 90 days of becoming the Army's first airmobile division the First Team was in combat as the first fully committed division of the Vietnam War On 10 October 1965 in Operation Shiny Bayonet the First Team initiated its first brigade size airmobile action against the enemy The division would go on to take part in many more air assaults and play a leading role in defence against the Tet offensive driving out the NVA and Viet Cong invaders from Hue and in Operation Pegasus relieving the 3 500 U S Marines and 2 100 ARVN soldiers besieged by nearly 20 000 enemy at Khe Sanh On 1 May 1970 the First Team was First into Cambodia hitting what was previously a Communist sanctuary but the campaign had severe political repercussions for the Nixon Administration Pressure was mounting to withdraw US forces from the war Although there would be further assault operations the war was beginning to wind down and 26 March 1971 officially marked the end of duties in Vietnam for the 1st Cavalry Division although it was only on 5 May 1971 that the colours moved from Vietnam to Fort Hood Texas

US Air Cavalry Trooper vs North Vietnamese Soldier Chris McNab,2020-09-17 The tactics and technologies of modern air assault vertical deployment of troops by helicopter or similar means emerged properly during the 1950s in Korea and Algeria Yet it was during the Vietnam War that helicopter air assault truly came of age and by 1965 the United States had established fully airmobile battalions brigades and divisions including the 1st Cavalry Division Airmobile This division brought to Vietnam a revolutionary new speed and dexterity in battlefield tactics using massed helicopters to liberate its soldiers from traditional overland methods of combat manoeuvre However the communist troops adjusted their own thinking to handle airmobile assaults Specializing in ambush harassment infiltration attacks and small scale attrition the North Vietnamese operated with light logistics and a deep familiarity with the terrain They optimized their defensive tactics to make landing zones as hostile as possible for assaulting US troops and from 1966 worked to draw them into Hill Traps extensive kill zones specially prepared for defence in depth By the time the 1st Cavalry Division Airmobile withdrew from Vietnam in 1972 it had suffered more casualties than any other US Army division Featuring specially commissioned artwork archive photographs and full colour battle maps this study charts the evolution of US airmobile tactics pitted against North Vietnamese countermeasures The two sides are analysed in detail including training logistics weaponry and organization

Supporting the Air Cavalry Troop Theodore L. Cook,1970 With today's emphasis on mobility and Vietnam's proof of the helicopter's worth all military leaders must learn how to employ fast moving far reaching combat units The exploits of the Air Cavalry units in Vietnam have captured the imagination of all those interested in military science But almost all of us fail to look beyond the war stories to the men and equipment behind the scenes that make all of this success possible I'm speaking about the less glorious but equally important achievements of the combat service support elements In the air cavalry troop these elements are found in the service platoon The service platoon has the capability of performing a variety of missions In fact it really is limited only by the imagination of those who employ it For the purpose of this article we are going to look at only a portion of the service platoon that portion providing the Class III and Class V to the fighting
