Coping With Failure

Norbert Greinacher, Norbert Mette

Coping With Failure:

Coping with Failure Shari Cohen,1988 The devastating effect of real or perceived failure upon a teenager s self image is the topic of this guide on coping with failure and learning to continue positive risk taking after a setback **The**

Cognitive Structure of Emotions Andrew Ortony,Gerald L. Clore,Allan Collins,1988 It has long been clear that the way in which people interpret the world affects our emotional reactions What has been less clear is exactly how such different interpretations lead to different emotions This is the central question addressed by The Cognitive Structure of Emotions

Taking a cognitive science perspective a systematic account is presented of the cognitive structures that underlie a wide range of different emotions Detailed proposals about the factors that affect intensity are also offered The authors propose three broad classes of emotions each corresponding to a different attentional focus One class consists of reactions to events one of reactions to the actions of agents and one of reactions to objects By basing their analysis of the antecedents of emotions on an analysis of the perceived situational conditions that elicit them the authors offer the prospect of accounting for variations in the emotions of different individuals different cultures and perhaps even different species **Suicide and**

Self-Damaging Behavior Denys deCatanzaro,2013-10-22 Suicide and Self Damaging Behavior A Sociobiological Perspective reviews the status of suicide and other exceptions to the prevailing regularities of behavior This book discusses the apparent anomaly of self destructive behavior current incidence of suicide and self injury self destructiveness in other species and biological fitness and social ecology of suicide The pro suicidal gene expression and natural selection death concept breakdown of other life preserving factors with coping failure and selection processes and altruism are also elaborated This text likewise covers the chronic self abuse risk taking and self injurious or self mutilative behavior This publication is a good source for anthropologists psychologists sociologists and social scientists concerned with self destructive behavior

Humanitas ,1977 Stress, Appraisal, and Coping Richard S. Lazarus,Susan Folkman,1984-03-15 The reissue of a classic work now with a foreword by Daniel Goleman Here is a monumental work that continues in the tradition pioneered by co author Richard Lazarus in his classic book Psychological Stress and the Coping Process Dr Lazarus and his collaborator Dr Susan Folkman present here a detailed theory of psychological stress building on the concepts of cognitive appraisal and coping which have become major themes of theory and investigation As an integrative theoretical analysis this volume pulls together two decades of research and thought on issues in behavioral medicine emotion stress management treatment and life span development A selective review of the most pertinent literature is included in each chapter The total reference listing for the book extends to 60 pages This work is necessarily multidisciplinary reflecting the many dimensions of stress related problems and their situation within a complex social context While the emphasis is on psychological aspects of stress the book is oriented towards professionals in various disciplines as well as advanced students and educated laypersons The intended audience ranges from psychiatrists clinical psychologists nurses and social workers to sociologists anthropologists
