LESSON 1

Topic No. 1

Introduction to Institutional Corrections

- Correction is the fourth pillar of the Criminal Justice System charged with the responsibility for the custody, supervision and rehabilitation of convicted offenders. It is also defined as the **STUDY OF JAIL OR PRISON MANAGEMENT AND ADMINISTRATION** as well as the rehabilitation and reformation of criminals. It includes all government agencies, facilities, programs, procedures, personnel, and techniques concerned with the investigation, intake, custody, confinement, supervision, or treatment of alleged offenders.

Considered to be the weakest of the Five Pillars namely Law Enforcement, Prosecution, Court, Corrections and Community because of its inability to reform and rehabilitate the convicted criminals.

- Local Government Units with regard to provincial and sub-provincial jails.
- Philippine National Police maintains detention facilities in its different police stations nationwide.

2. NON-INSTITUTIONAL CORRECTIONS / COMMUNITY-BASED CORRECTIONS

Community-based Corrections pertain to probation, parole, pardon and other forms of executive clemencies. These are being managed by the –

- Parole and Probation Administration (PPA) of the DOJ. PPA conducts a post-sentence investigation of petitioners for probation as referred by the courts, as well as pre-parole/pre-executive clemency investigation for those referred by the Board of Pardons and Parole (another DOJ agency), to determine the suitability of the offender to be reintegrated in the
